

# IN MONTRÉAL, EVERYONE COUNTS 2025

## LOOKING FOR VOLUNTEERS

The 2025 count of people experiencing homelessness will take place in 16 regions of the province on the evening of April 15 and continue through April 17.

**Everyone Counts**, the theme of this large operation, will enable us to estimate the number of people experiencing homelessness, assess their needs and adapt the services offered.

Join us! To ensure the count is successful, at least 1200 volunteers are needed to cover the entire Island of Montréal. It is a unique opportunity to provide support to people in precarious situations.

Individuals are invited to contribute in the following ways:

- Administer questionnaires in outdoor locations
- Administer questionnaires in shelters or other community resources
- Act as team leader
- Act as a witness
- Provide support in dispatch centres

**Training will be provided to all volunteers who wish to participate in the count.**
