

# Q&A – Borrowing a Virtual Reality (VR) Headset

## Who can borrow a virtual reality headset?

All employees of the **CIUSSS West-Central Montreal** may borrow a VR headset.

## How can I borrow a VR headset?

To borrow a headset, you must:

- Complete the [Loan Request Form](#).
- Wait for the confirmation email, which will indicate:
  - o the availability of the equipment,
  - o your loan dates,
  - o pickup instructions.

No equipment can be borrowed without a completed form.

## What is the maximum loan duration?

The loan period is a maximum of **4 consecutive days**.

A renewal is possible **depending on headset availability** - simply request it by email before the scheduled return date.

## How many headsets can I borrow at the same time?

You may borrow **up to 15 headsets simultaneously** if your activity or project requires it.

For large-scale requests (team trainings, workshops, pilot projects), we recommend booking several weeks in advance and requesting technical support.

## Where do I pick up the equipment?

Headsets are available at:

📍 **Room A-200, Jewish General Hospital (JGH)**

## Can I use the headsets directly in your facilities?

Yes! It is possible to organize workshops to be held in **Room A-200 (JGH)**.

Personalized support is available upon request (technical assistance, facilitation, introduction to VR).

## Do I need technical knowledge to use the headsets?

Not at all. Each loan includes a simple user guide and the option to receive technical support if needed.
