

A portion of Catherine Booth is moving

1) Which patients will be affected by the move?

Regardless of the wing or floor where they are currently located, 46 patients will be transferred to the Jewish General Hospital for nine to twelve months.

2) When will the move take place?

On the morning of Sunday, May 26.

3) Why is this happening?

To allow renovations to be made to the Catherine Booth Hospital. Toilets and showers will be refurbished to be more ergonomic, safer and better adapted to patients' needs. The changes will also ensure that fewer patients share a washroom. In addition, rooms will be refreshed, minor repairs will be made, and storage space will be added.

4) As a patient, how will I travel to the Jewish General Hospital on May 26?

The safe transfer of you and the other designated patients will be made by a transportation company that specializes in moving passengers who have functional limitations.

5) What will happen to my personal belongings?

Clinical staff will help you prepare and pack all your personal belongings before the move. Patients' families can also choose to take some items home with them. The well identified containers, which contain your belongings, will be transported by a team of specialized movers.

6) Where will my room be located at the Jewish General Hospital?

On the 4th floor of Pavilions C and D.

7) How can these floors be reached?

By taking the elevators from the ground floor of Pavilions C and D.

8) Will I have access to a telephone and TV?

You will have a telephone in your room, for which a fee will be charged. A TV will be available in the common room.

9) Will the staff be the same as at the Catherine Booth Hospital?

Some Catherine Booth staff, including nurses, licensed practical nurses and orderlies will be temporarily relocated to the Jewish General Hospital. This is also the case for some physicians, pharmacists, dietitians, physiotherapists, occupational therapists, physical rehabilitation therapists and social services workers.

10) How can caregivers be reached?

Staff members on the 4th floor of Pavilions C and D (4CD) can be contacted at 514-340-8222, ext. 25411.

11) Who will notify my family members that I have moved?

A team at the Jewish General Hospital will contact an appropriate family member when the move ends.

12) Can my family members and friends visit me on May 26?

Yes, but only after 7:00 p.m. This will allow staff to finish installing their workspaces and settling patients in their rooms.

13) Where can my family members and friends park?

Paid parking is available in the underground lot below Pavilion K. Paid or free parking is also available on the surrounding streets. The hospital is easily accessible by metro (Côte-des-Neiges and Côte-Sainte-Catherine are the nearest stations) or by bus #129 or #165.

14) Will my family members and friends have access to a reserved room?

A lounge will be available for them.
