- [Learning from the evaluation of the COVID-19 action plan in Côte-des-Neiges](http://www.quebec.ca/covidvaccine) Webinar - November 18, 2021 | Noon to 1:00 p.m. During the COVID-19 pandemic, individuals
in the community came together to help support the public. This has especially been true in Côte-des-Neiges, where organizers took action through a plan funded by the Philanthropic Foundations of Canada. A presentation on November 18 will highlight the main components of the action plan, as well as the leading results of a developmental evaluation that accompanied its implementation. The discussion will focus primarily on the adaptations that were made to the plan during its implementation, the facilitating factors and difficulties that were encountered and the lessons learned. Registration

- **Video** - Black communities have been among the most affected by the COVID-19 pandemic and its impacts. Aisha alias Gayance (DJ) and Kemy (professional basketball player) share their experiences with the COVID-19 pandemic and why they were inspired to get vaccinated.
