GOLF 2019: A Message from the Co-Chairs

The weather was beautiful on Wednesday May 22, 2019 as the 28th annual Donald Berman Maimonides RBC Wealth Management Golf Tournament took place. This year's event returned to the Royal Montreal Golf Club where attendees played the renowned championship Blue Course, host of 9 Canadian Opens and The Presidents Cup.

Thanks to our generous and loyal supporters, we raised over **\$212,500** – monies to fund the Centre for Research in Aging at Maimonides.

Steve Kusters and Danny Baum pictured with Foundation Director Karen Flam

Organizing one of Montreal's premiere fundraising events is no easy feat, and would be impossible without our truly dedicated team of volunteers.

On behalf of the residents of DBM, thank you to everyone who helped make the 2019 tournament a great success. It is thanks to our loyal donors and sponsors that Donald Berman Maimonides Geriatric Centre is able to provide *More than Care*.

Two handwritten signatures in black ink. The first signature is 'Steve Kusters' and the second is 'Danny Baum'.

MICHAEL CORBER AND FAMILY SCHOLARSHIP

In honour of his past Presidency of the Foundation and his family's connection to the Centre, Michael Corber created the **Michael Corber and Family Scholarship**. Every year, a one-year scholarship is presented to a student who wishes to pursue post-secondary studies and who has at least one parent who works on the front-lines at Donald Berman Maimonides Geriatric Centre.

This year's recipient is **Zen Co** who is finishing up her Account and Management Technology program at Dawson College. Zen is the daughter of Zenaida Reye who is a Nurse's Aide on 5 South. Zen's letter expressed her love for business, math and technology. She also described the difficulties in paying her tuition while working a part-time job and completing an unpaid internship in her field of study.

Zen Co with Michael Corber

JUDITH CHINKS FISH SCHOLARSHIP

This year's recipient of the annual Judith Chinks Fish Scholarship is **Alijah Clarke**, son of Rose Marie Lewis who is an LPN on Kastner 4. Alijah's commitment to his studies in Sports Marketing while continuing to be a very active student athlete in Basketball and Football stood out in his application.

The Judith Chinks Fish scholarship is tied to the vision and generosity of a woman who espoused the value of post-secondary education. Her family has generously set up a fund through the Jewish Hospital of Hope Eldercare Foundation in her memory. The donations are used annually to offer a one-year scholarship to a student who wishes to pursue post-secondary studies and who has at least one parent who works at Donald Berman Jewish Eldercare Centre.

Two of Judith Chink Fish's grandchildren, Liberty and Benji Budman; Rose Marie Lewis; Alijah Clarke and Foundation President Rory Olson.

Foundations provide bursaries to staff

The Donald Berman Maimonides Foundation and the Donald Berman Jewish Eldercare Foundation invest in our staff on an annual basis by providing them with education bursaries. Three bursaries at DBJ and nine bursaries at DBM were given out this year to staff attending school to further their education or to upgrade their skills. At DBM, a bursary is also given out on an annual basis to a McGill University Ingram School of Nursing student interested in a career in Geriatrics.

“This event is one of the Foundation’s proudest moments. By investing in our staff, we are investing in our future,” says Foundation President Rory Olson.

Early warning signs that a person can no longer live alone

It can be very difficult to determine when the time has come that a parent can no longer live independently. The fact is that many families wait until a crisis thrusts them into the maze of senior care. It is much better to plan ahead and avoid the crisis altogether if possible. Below are some questions that can clarify your parents' needs and identify if home alone continues to be the best option for them.

MEDICATIONS

- Is your loved one taking all medications prescribed?
- Have medical conditions previously under control become acute?
- Do they have a system such as a pill organizer that you can look at to see if they are managing well with their medications?

FOOD

- Are they able to prepare and eat their own meals?
- Is food in the refrigerator often spoiled or kept long beyond the "used by" date?
- Are they still able to do their own grocery shopping?

FINANCES

- Is the mail being picked up and opened regularly?
- Are credit cards or checkbooks being misused or not balanced?
- Are bills being paid on time?

SOCIAL CONTACT

- Has the amount of social contact changed dramatically, so that there are limited visits with close friends?

- Have their friends or neighbors noticed any changes?
- Are they able to use the phone on their own?
- Have there been an increase in fearful calls to family?

LIFESTYLE

- Has there been a change in dress or appearance, or a decline in personal hygiene?
- Has the tidiness routine changed from a neat and organized home to a cluttered or unkept home?
- Are they hoarding things like clothes or other items?
- Have they shown signs of inappropriate behavior such as turning the furnace off in the winter or storing an iron in the refrigerator?
- Has a spouse or caregiver recently taken sick or passed away?

If you've answered yes to any of these questions, it may be time to have your parent assessed and explore options that could avoid a future crisis such as a fall or hospital admission. The best way to do this is to contact your local CSSS (formerly CLSC) and ask for the intake Social Worker.

The Donald Berman Maimonides Foundation and Donald Berman Jewish Eldercare Foundation make all the difference!

It is the mission of the Foundations of Donald Berman Maimonides and Donald Berman Jewish Eldercare to provide the financial resources and leadership required to enhance the quality of life of the Centres' residents. Donor dollars are truly making a difference.

The following programs and services are made possible thanks to your donations to the Foundation.

Concert series

Residents and their families get to enjoy music programming regularly on the Units and in common spaces on weekends, holidays and special occasions. This is a great opportunity for families to spend quality time with their loved ones.

Jewish Life

Cultural programs are central to the Jewish life of our residents, including synagogue services, kiddushes and the celebration of holidays.

Chanukat Habayit

Every new resident and their family is welcomed with a visit from the rabbi in their room with refreshments for a *l'chaim*, as well as a blessing and flowers to brighten up their new home.

Bursaries

We invest in our staff on an annual basis by providing Bursaries for those attending school to further their education or to upgrade their skills.

Buses for outings

Residents get to enjoy summer outings to local attractions as well as weekly excursions to different malls in the city. These outings are a welcome change of scenery for residents who miss their independence.

The iPod project

iPods with customized playlists tailored to the residents' interests are provided for residents. Music reaches our residents in miraculous ways.

Digital X-Ray Machines

Looking ahead, the Foundations will purchase a portable digital X-Ray Machine so that residents can have X-rays in their rooms and digitally transmit the results to the hospital.

At our Donald Berman Maimonides location, donations to the Foundation also fund the following:

Research

The Foundation has established and funds the Donald Berman Maimonides Centre for Research in Aging, led by a Research Director and team of researchers. Research is focused on issues that directly impact our residents.

Dental hygienist

The Donald Berman Maimonides Dental Hygiene Program has created and maintained hundreds of healthy smiles over the years. The program provides residents with an in-house consultation and cleaning. Foundation-generated funds pay for the salaries of both the dental hygienist and dental assistant.

To make a donation or to learn more, the Foundation can be reached at:

514-483-2121 ext. 2207 (DBM)

514-738-4500 ext. 2124 (DBJ)

We need your help: The Annual Governor's Program

Governors ensure the financial strength of the Foundation by funding many programs and environmental improvements to enable the residents to live out their final years in the utmost of comfort. The Governors program has been around since the Foundation began in the late 1970's led by Founding Foundation President Ben Cobrin Z"L who was very

active in recruiting Governors. He promoted the concept that you must "plant the seed, and Donald Berman Maimonides will reap the benefits in future years." Governor donations are invested in perpetuity, guaranteeing income each year to support all that we do.

A plaque with each Governor's name appears on a recognition board in the main lobby. Annual governor categories are Platinum, Gold, Silver or Bronze. If you are interested in becoming a Donald Berman Maimonides Governor, please call the Foundation at 514-483-2121 ext 2207, or fill out the form on p-15 and send it back to the Foundation.

Leaving a Bequest and a Legacy

Making a bequest is a way to make a lasting contribution to a cause that you are passionate about and will continue to make an impact beyond your lifetime.

Jon Dlusy recently did just that. The 92 year old named the Donald Berman Maimonides Foundation in his will. Thanks to his significant bequest, the synagogue was dedicated in loving memory of his beloved parents Regina and Israel Dlusy Z"L. "I want my parents to be remembered and the Dlusy name to continue," says Dlusy, who has no children of his own.

"It gives me great satisfaction to make a difference," he adds.

The Foundation recently hosted a L'Chaim to honour the remarkable gift from Dlusy. Legacy gifts allow the donor to see the good they are doing in their lifetime.

To make a difference in our resident's lives, please call Karen Flam, Foundation Director at 514-483-2121 ext 2307.

Jon Dlusy and Rabbi Michael Wolff on the bimah in the newly renamed synagogue in memory of Dlusy's parents

Kiddush Fund

Interested in sponsoring a Kiddush?

The Donald Berman Maimonides Foundation and the Donald Berman Jewish Eldercare Foundation are accepting donations to THE KIDDUSH FUND.

Monies will be used to purchase fruit cake, gefilte fish and grape juice for Saturday services. Your gift will be acknowledged during the Kiddush and on the donor recognition page in *Perspective*.

A tax receipt will be provided for the amount of your donation. Contact the DBM Foundation office at (514) 483-2121, ext. 2207 or the Donald Berman JEC Foundation office at (514) 738-4500, ext. 2124 for more information.

Why should I include a bequest to a charity in my will?

It is the opportunity to leave a gift that will make a difference to the lives of those connected with your charity of choice.

Can I leave a bequest to family and friends as well as a charity?

Definitely. In fact, we encourage people to think about their families

and friends first and then consider leaving a bequest to the Donald Berman Maimonides Foundation or the Donald Berman Jewish Eldercare Foundation.

Is there a minimum value to leave as a bequest to a charity?

No. There is no minimum value and no bequest is considered too small. Every dollar given will help to support our mission.

Will I be able to specify how my bequest will be used?

Yes. However, sometimes for long-term care, the needs are very specific and are constantly changing.

What effect will making a bequest have on my life?

Financially, it will have no effect on the way you live your life right now. However, many charities like ours have a recognition program and appreciate being informed of your decision so that we can thank you during your lifetime.

How do I include a bequest to a charity in my will?

Leaving a bequest to a charity is a simple thing to do. Speak to your solicitor about including a clause in your will with the details of your bequest.

Thank you to our Gifts and Prizes Sponsors!

Create a Named Fund: A Gift that keeps on giving

Named Funds provide a way for donors to provide a gift that will keep giving and growing far beyond their own lifetimes. These gifts can be made in honour of a special occasion or in memory of a loved one.

A minimum of \$1200 is required to establish a named fund at Donald Berman Maimonides or Donald Berman Jewish Eldercare. The initial tax deductible gift to a named fund is invested for growth in the financial market and the interest earned is used to fund programs. Named funds appear on the donor board in the main lobby and active funds are listed in our Perspective publication. Donors can continue to add to the Fund through the use of our very popular Tribute Card Service.

To create a named Fund at Donald Berman Maimonides, please contact Karen Flam at 514-483-2121 ext 2207 or at Donald Berman Jewish Eldercare, please contact Lisa Kasner at 514-738-4500 ext 2125.
