

Continuing Education Units  
(CEU Modules)  
Nursing Reference Center Plus

Julia Kleinberg, MLIS

May 14, 2015

# What are CEUs?

- Online modules that can be completed independently for accredited CE hours, usually taking 1-2 hours
- Accredited by the American Nurses Credentialing Center and the International Association for Continuing Education and Training, with select modules accredited by the Commission for Case Manager Certification
- Consist of course content, an interactive review, and an exam. The exam must be completed and passed to get the CE credit
- When you have completed a CEU and passed the course, you can print a certificate for your records

## CINAHL*education*

[EBSCO.com](#) [About Us](#) [Contact Us](#) [Careers](#)

Welcome to CINAHL*education*.

The CINAHL*education* program provides nursing, social work, and allied health professionals a convenient way to obtain their certificates of completion for continuing education required by the states in which they practice or the facilities in which they work. These interactive modules allow health professionals to satisfy CE requirements online. Each module consists of course material, an interactive review, a competency test, and a module evaluation. A certificate is awarded upon satisfactory completion of the competency tests. Completion requirements are provided in each module.

# Navigate using tabs on **top** of page

- You must return to the top for the review and the test

The screenshot shows the CINAHL education website. At the top, there is a navigation bar with the CINAHL logo and a menu with links: Home, About Us, Contact Us, and Careers. Below this is a row of six tabs: Available Modules, How To Use, FAQs, Course Materials, Interactive Review, and Take Test. An orange arrow points to the 'Take Test' tab. Below the tabs, there is a welcome message for 'Julia M. Kleinberg!' and a link to 'click here' if the user is not logged in. To the right of the welcome message are links for Notifications, Transcript, Profile, and Logout. Below this is a breadcrumb trail: CINAHL Plus / CINAHL Complete / Nursing Reference Center » Nursing. The main content area is titled 'Postpartum Depression: Assessing the Patient' and 'Course Materials'. It lists authors: Carita Caple, RN, BSN, MSHS; Helle Heering, RN, CRRN. Below this is a 'Goal' section with the text: 'To provide information about how to assess for postpartum depression, along with treatment goals for the healthcare provider. Information for patient, family or both education is included.' and an 'Objectives' section.

**Postpartum Depression: Assessing the Patient** **Course Materials**

Carita Caple, RN, BSN, MSHS; Helle Heering, RN, CRRN

**Goal**

To provide information about how to assess for postpartum depression, along with treatment goals for the healthcare provider. Information for patient, family or both education is included.

**Objectives**

# Points to remember

- You can take the test 2 times. If you do not pass on the first try, you have 72 hours to take it again; if you do not pass the second try you must wait 90 days
- You **can not** save your place in a CEU exam and return at a later time

# Medscape

- [www.medscape.org](http://www.medscape.org)
- Another option for finding CEUs
- Has sections specifically for nursing and pharmacy continuing education
- Free, but need to register
- Check each course to see who is eligible for credits
