Freud Leaving Home

Denmark
Format: 35 mm, Colour
Length: 100 min.
Year: 1992

Directed by: Susanne Bier
Cast: Ghita Norby, Philipp Zandén
Written by: Marianne Goldman
Cinematography by: Erik Zappon
Music by: Johan Söderqvist
Produced by: Swedish Film Institute

In the Cohen household Rosha is about to celebrate her 60th birthday. Her three children are there. Deborah, the eldest, has come from Israel, David from Miami, and the youngest, Freud—a nickname due to her studying psychology—is present because she has lived in the house for the past 25 years. This film is a bitter sweet chronicle of this family's last days.

Program

Introductory and Welcoming Remarks

Martin L. Solomon, M.D.
Director, Child Psychiatry

Guest Speaker

Michael Bond, M.D.
Psychiatrist-in-chief (JGH)

Dr. Bond joined the staff of the Jewish General Hospital's Department of Psychiatry in 1976. He subsequently held many positions within the department, including coordinator and researcher in the long term psychotherapy research clinic, staff psychiatrist in the outpatient youth service, and director of education and residency training. He became Psychiatrist-in-chief in 1999. An associate Professor in the Department of Psychiatry at McGill University, Dr. Bond is also Chairman of the university's psychotherapy program.

Dr. Bond is the author of 20 publications in peer-reviewed journals and has presented his research at conferences throughout North America.
