Mrs. Alton Goldbloom,
President,
Women's Auxiliary,
Jewish General Hospital,
1543 Crescent St.,
Montreal, Quebec.

Dear Mrs. Goldbloom:-

The Board of Administration records with deep satisfaction the organization of a Women's Auxiliary to the Hospital and your election to serve as its first President.

We are particularly gratified to learn of the excellent response already made by women of the Community and are confident that under your leadership and that of the other members of your Executive and Board, an organization will develop which will prove to be of vital importance to the life of the Hospital.

Sincerely,

JEWISH GENERAL HOSPITAL
