

# *Our Tribute Everlasting*

*11th Annual Report  
of the  
Jewish General Hospital  
1944*

*Eleventh Annual Report*

OF THE

**JEWISH  
GENERAL HOSPITAL**

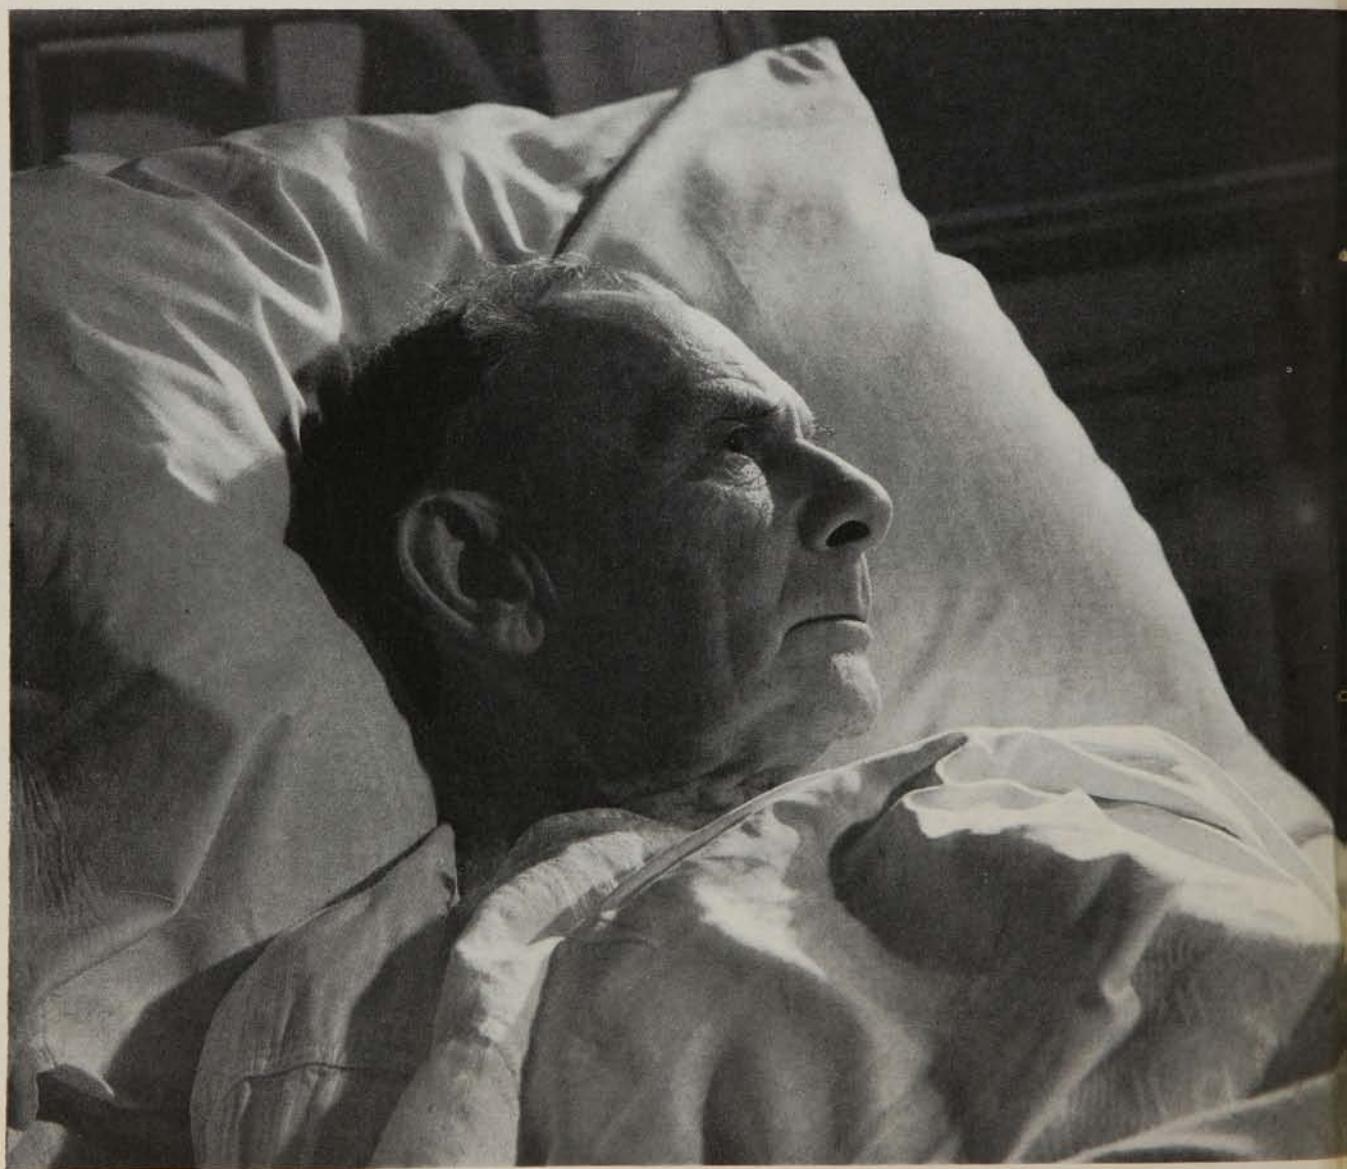

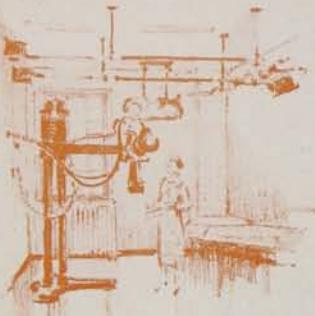

*Montreal*

*For the year ended*

**DECEMBER THIRTY-FIRST • 1944**

---

# *Foreword*

To the Jewish community of Montreal, to whose love of its fellowman the Jewish General Hospital owes its being and development, this Annual Report is dedicated.

Neither the spoken nor written word can pay greater tribute to that Jewish community than was paid by itself to itself in the Building Extension Campaign conducted early in the year 1945, when, by its magnificent response, it enabled the Jewish General Hospital to meet the expanding needs of an expanding community.

In the new and greater "Tribute Everlasting" that will spring from the generosity of our Jewish community of Montreal, we shall have a living monument to the wisdom and foresight of the original founders; to the workers and subscribers who have maintained and now have so generously provided for extending its merciful services; and to the humanitarianism of our people who rose as one man to the occasion.

Through the efforts of the people, there will be opened up a new era of scientific research and advanced healing. With new and increased bed accommodation for patients of all classes, a nurses' school and residence, extended laboratory, x-ray and operating room facilities, the greater Jewish General Hospital will provide the City of Montreal with a haven of healing which will rank high among the finest on the North American continent. Our "Tribute Everlasting" and its contemplated extensions are a substantial and material contribution to the health and welfare of all of the peoples who make up our City of Montreal, for to all of them, day and night, its doors are ever open, without regard to race, creed or ability to pay.

## BOARD OF ADMINISTRATION 1944-45

*President:*  
Allan Bronfman

*1st Vice-President:*

Michael Hirsch

*Honorary Treasurer:*

J. Levinson, Sr.

Harry Benjamin

Samuel Bronfman

Horace R. Cohen

Oscar Faerman

Isaac Gold

A. H. Jassby

*2nd Vice-President:*

David Kirsch

*Honorary Secretary:*

## \*R E P O R T

TO THE GOVERNORS OF THE  
JEWISH GENERAL HOSPITAL:

On behalf of the Board of Administration, I have the honour to present for your approval the Eleventh Annual Report of the Hospital for the year ended December 31st, 1944.

In this year which marks the beginning of the second decade in the history of our Hospital, we were again able to render a large volume of service to our Community. Staff shortages however which prevailed throughout the greater part of the year, compelled us to again restrict admissions and accounts for the slight reduction in service rendered, as shown in the report of the Superintendent. The demand for hospitalization remains high, and despite the staff difficulties referred to, it was necessary on all too frequent occasions to utilize solaria and waiting rooms to accommodate patients.

There was during the year as you have heard a further increase in the number of private patients admitted. This resulted in an increase in the revenue from Hospital operations to \$320,280.99 which is higher by \$17,564.80 than the revenue for 1943. There was a marked increase in expenditures during the year because of higher pay rolls and cost of supplies. Expenditures for the year which includes cost of replacements to equipment and a provision for depreciation, totalled \$430,066.78 and resulted in an operating loss of \$109,-785.79. Once again our Community responded generously and net income from non-operating sources totalled \$108,723.84, which when deducted from the gross operating loss, left a net deficit of \$1,061.95.

I take this opportunity to record our grateful appreciation to the Combined Jewish Appeal which during 1944 was so capably led by Mr. William Gittes. To him and to the entire Organization, we are indebted for their untiring efforts which resulted in brilliant achievement.

Successful as have been our Annual Appeals, fundamental financial security lies in the establishment of a substantial Endowment Fund. We are aware that such a Fund requires many years for development, but we feel that our Community must be made more fully conscious of this vital need. The following additions to the Endowment Fund received during the year under review, are recorded with expressions of deep gratitude:

\*Presented  
at the Eleventh Annual General Meeting, June 18th, 1945

# OF THE PRESIDENT

Mesdames S. L. Portigal and M. M. Kalman, in memory of Parents, Mr. and Mrs. Harry Glasberg.....	2,000.00
Estate Mooney Stitt.....	250.00
Estate Samuel Cohen.....	200.00
Estate Harris Vineberg.....	1,000.00
Mr. J. Becker and Family, in memory of the late Mrs. J. Becker.....	1,000.00
Estate Rose and Lazarus Goldstein.....	830.47

The receipt of \$50.00 from Miss Mona Bronfman on the occasion of her 21st Birthday, and a further contribution of \$500.00 from Mr. and Mrs. Ben Wilanski, are gratefully acknowledged.

The establishment of the following special purpose funds is recorded with our deep appreciation to the respective donors:

## FAMILIES OF KARL AND ARTHUR BECKER OPHTHALMOLOGY FUND:

Mr. Arthur Becker.....	1,500.00
Mrs. Erna Becker.....	300.00
Mr. Jules Roos.....	300.00

## DEPARTMENT OF GYNAECOLOGY AND OBSTETRICS-RESEARCH FUND:

Mr. Paul Manovitz.....	500.00
Ayerst, McKenna & Harrison Ltd.....	150.00

For the past eight years we have made repeated reference in our Annual Reports to the need for additional facilities resulting from the continuously growing demands on our services, and in our Report for the year 1943 we submitted the results of a study made to determine the extent of our requirements. Based upon this study, a comprehensive Expansion Program was recommended. The program which provided for the establishment of a Nurses' Training School and Residence, additional private, semi-private and public beds and added facilities for Laboratories, X-Ray, Operating Rooms and other services, was submitted to a special general meeting of the Governors of the Hospital, held on December 18th, 1944, and was unanimously and enthusiastically approved by the Governors who authorized the raising of the necessary funds. In compliance with the mandate thus given, a Building Extension Campaign was organized and officially launched on February 8th, 1945. This Campaign has now passed into the history of our Communal achievement, there to

take its proud place alongside that other great and memorable Hospital Campaign of 1929 which made possible the creation of our Tribute Everlasting. The same unity of purpose, generosity and even self-sacrifice which distinguished our first Campaign, were again nobly manifested in this historic effort, which remains for all those who were privileged to be associated with it, as an inspiring and gratifying memory. In this as in all Hospital Campaigns, our Appeal was again directed only to the Jewish Community. The greater Hospital which will result from the generous efforts of our people, will continue to serve all regardless of race or creed, and will represent our further contribution to the health and welfare of our City. The generous and genuine interest which was so magnificently translated into tangible support for the Expansion Program may well be regarded as an endorsement of and a tribute to the Hospital's ten year record of distinguished service. In this tribute the entire Community must find a source of justifiable pride—the leaders who conceived the Hospital—the thousands through whose generosity it was built, and in the intervening years maintained—the physicians and surgeons who gave of their skill and of themselves to the development of our high scientific standards—the members of the Medical Board and the Board of Administration—the Administrative and Technical Staffs of the Hospital—all must share in this proud record of achievement.

The successful conduct of an effort of such magnitude was not the work of an individual or even a group of individuals. It is hardly feasible within the limits of this Annual Report to make individual specific and detailed reference to the magnificent contribution made by all those associated in our great Campaign Organization. I feel however that you will wish through the medium of this Report to record your appreciation to the leaders and workers who by their selfless devotion contributed so materially to the results achieved. Their names should and will be recorded for posterity in Golden Book Volume No. 2, as an inspiration to future generations. Attached to this report as a permanent record is a list of those whose distinguished leadership and devoted co-operation made possible the outstanding success of the Building Extension Campaign. I was privileged to have Mr. A. H. Jassby associated with me as Co-Chairman of the Campaign. Mr. Jassby who was identified with the founding of the Hospital as a member of the original Campaign Committee and who throughout the years has served as a member of the Board of Administration, brought to this historic undertaking the full force of his communal experience, and I am happy to pay him this tribute for his contribution to the success of the Campaign.

## REPORT OF THE PRESIDENT, continued

---

We wish to thank the Executive of the Federation of Jewish Philanthropies for having permitted us to use their facilities during the Campaign, and to express our gratitude to Federation's capable office staff for their loyal services. To Mr. Samuel S. Cohen, our Superintendent, who acted as Campaign Director, and to Mr. Fred Goldstein who served as Campaign Secretary, we extend our deep appreciation for the efficient manner in which they co-ordinated and executed their respective assignments.

To the thousands of contributors, I can on behalf of the Board of Administration, but say a simple and heartfelt thank you. They will find warm satisfaction in the increased service of the greater Jewish General Hospital which will rise as a monument to their generosity.

Since the conclusion of the Campaign, considerable progress has been made in the further study of the proposed extensions to our facilities. Our architect is busily engaged on actual plans which when fully developed will be the product of unified study by the medical and other staffs with the collaboration of the best available authorities competent to advise us. It is our purpose to create the most modern scientific institution which our resources will permit, so that we may be better able to meet the expanding needs of an expanding Community.

Since the very inception of our Hospital, we recognized that a Hospital in order to achieve true distinction must devote itself not only to the best possible care of its patients, but that it must also develop scientific standards and policies calculated to improve the knowledge of its physicians and others engaged in the healing of the sick and provide them with opportunities for developing greater skill in their chosen fields. Indeed it was the pursuance of these policies which led us to the decision to establish a Training School for Nurses, and to create new and more adequate scientific facilities for the members of our Medical Staff. You will be gratified to know that while we stand on the threshold of physical expansion, we are, after but ten brief years of existence, also able to report further significant development of our educational program.

All of you will recall with what pride we received the information in 1939 that our Hospital had been selected by McGill University whose distinguished Dean of the Medical Faculty we are happy and privileged to have as our honoured guest tonight, as one of five Montreal Hospitals where its Medical Graduates could take their year of required internship. That such recognition should come to us after only five years of

operation was a source of deep gratification and inspired us to greater efforts. It is now my proud privilege to announce further important progress in the direction of closer association with McGill University.

During the past year we have been asked to co-operate with McGill University in a rehabilitation program by establishing refresher courses for returned medical officers. We are happy to report that such courses will be conducted at the Jewish General Hospital by members of our staff under the general supervision of McGill University Faculty of Medicine. These courses will fill an important need for many medical officers whose training had been interrupted by the war. In addition, following discussions with the University authorities, further participation of our Hospital in the teaching activities of the Medical Faculty of McGill University is now under consideration. I believe that it will not be a betrayal of any confidence if I say with the permission of Dean Meakins, that McGill University is now considering a comprehensive program for graduate study and training in the clinical Departments of the Faculty of Medicine, and that these plans include participation by the Jewish General Hospital. The discussions also embrace the undergraduate field, and it is hoped that it will not be long before we may be privileged to become fully affiliated with the McGill Medical Faculty by participating in the important work of undergraduate teaching. I know that you will receive this information with the same sense of pride as that experienced by the members of our Board of Administration. McGill University has been to us and to our many physicians who received their education from it, a true inspiration and I should like to say to Dean Meakins how eagerly we embrace the opportunity to co-operate and make our contribution to the advancement of Medical knowledge, and how proud we are in the accomplishment of this objective, to become more closely identified with that great University, the Medical Faculty of which he presides over, with such distinction.

I should now like to refer to a number of changes which have taken place in the Medical Staff. Dr. Alton Goldbloom, Chief of the Department of Pediatrics, and Chairman of the Medical Board, has been appointed Acting Physician-in-Chief of the Children's Memorial Hospital and Acting Chairman of the Department of Pediatrics, McGill University, and we are happy to record this well merited recognition which has been accorded to him. Dr. Goldbloom because of the pressure of his new duties, found it necessary to take a leave of absence from his duties at our Hospital. Dr. B. Benjamin was appointed Acting Chief of the Department of Pediatrics during Dr. Goldbloom's leave, and Dr. Mark

Kaufmann has succeeded Dr. Goldbloom as Chairman of the Medical Board. We are pleased to report the return from service with the R.C.A.M.C. of Dr. Max Ratner, Chief of the Department of Urology. We regret to record the resignation of Dr. Norman Viner from the position of Chief of the Department of Neuro-psychiatry. Dr. Viner has been appointed to the Honorary Consulting Staff.

The Medical Board under the Chairmanship of Dr. Mark Kaufmann continues to guide effectively the professional work of the Hospital. The maintenance of high scientific standards during these days of many difficulties is a gratifying accomplishment. To Dr. Kaufmann, the members of the Medical Board and the entire staff, we extend our gratitude for their splendid co-operation. I should like to pay tribute to the members of the Medical Staff for their co-operation and tangible interest in the Building Extension Campaign.

It is always a pleasure to record our appreciation and gratitude to the Women's Auxiliary for its splendid contributions to the progress and development of our Hospital. Throughout the years they have continued to grow in importance and are today more than ever an integral and indispensable part of the Hospital. During the past year the Auxiliary continued to assist the Hospital by supporting financially many of our activities, and to render important voluntary service in practically every department of the Hospital. The Life Saving Fund continues to attract increasing support from the generous women of our Community and constitutes one of the most vital factors in the care of our public ward patients, providing as it does every service necessary to the recovery of underprivileged patients who are desperately ill. Penicillin has become the added responsibility of the Fund, and already countless numbers of our Patients owe their lives to this miracle drug which is made available to all who require it, without regard to their ability to pay. The Auxiliary's participation in the Building Extension Campaign constitutes a notable accomplishment. The Women's Auxiliary conducted the only appeal directed to the women of Montreal on behalf of our new project, and by their outstanding achievement added another glorious page to the history of their many accomplishments. It is difficult to pay adequate tribute to an organization which embraces so many diverse activities. The Board of Administration is fully cognizant of the services each performs, and extends to the entire Organization sincere gratitude. To Mrs. Alton Goldbloom, President of the Auxiliary, I wish to record our profound appreciation for her magnificent leadership. To the Executive, Officers, Committees and membership at large, we owe our heartfelt thanks for their continued interest and co-operation.

I should like once again to express my appreciation to the members of the Boards of Administration and Trustees and to the various Committees for their whole-hearted co-operation and active participation in the affairs of the Hospital.

We extend thanks to our legal Advisors Messrs. Weinfield & Rudenko and to Mr. H. E. Herschorn, Honorary Notary, who render service without fee.

The Jewish Public Library continues to serve our patients and we want them to know that we are grateful for their assistance.

The English and Jewish Press have again given generously of their space and we record our thanks to them for their co-operation.

As this report is being written, the European phase of the war has happily come to a victorious conclusion. During the past year we have been faced with the accumulated difficulties of more than five years of total war. The problems with which Hospitals generally have been confronted, were at times trying indeed, and in this the Jewish General Hospital was no exception. That it was enabled to render service of a high standard throughout these years was due largely to the devotion of our Staffs. I am happy to record our deep appreciation to the Medical, Nursing, Technical and other Staffs for their loyalty and fine co-operation. To Mr. S. S. Cohen, our Superintendent, we extend our gratitude for the manner in which he has directed and co-ordinated the Hospital's services during this difficult period. He continues to merit our deep appreciation for his devotion and holds our personal esteem and regard in increasing measure.

The Jewish General Hospital is now entering upon an important phase of its expansion and development. We envisage for it not only physical growth so that we may serve large numbers, but also scientific and educational growth so that we may better serve our Community. The years which lie ahead are sure to be eventful and significant in the life of our Hospital. Much time, thought and energy will be devoted to planning for the future, but while we are so engaged, we shall continue to adhere to the principles of humanity and service which have motivated our efforts during the first decade. We pray that we may be granted vision and wisdom in our future planning, so that we may build a monument in keeping with the spirit of generosity and sacrifice which our people have so warmly bestowed on our Tribute Everlasting.

Respectfully submitted,

ALLAN BRONFMAN,  
*President.*

# IN GRATEFUL ACKNOWLEDGEMENT

*—these pages are dedicated to those who gave so generously of their effort as well as their means to make possible the extension of our "Tribute Everlasting" to meet the expanding needs of an expanding community.*

# A U D I T O R S'

Montreal, June 15th, 1945.

BOARD OF ADMINISTRATION,  
JEWISH GENERAL HOSPITAL,  
MONTREAL, QUEBEC.

Gentlemen:

We have audited the books and records of the Jewish General Hospital for the year ended December 31st, 1944 and present herewith our report:

Included herewith are the following Statements:

BALANCE SHEET as at December 31st, 1944.

STATEMENT OF INCOME AND EXPENSES—HOSPITAL OPERATIONS—for the year ended December 31st, 1944.

STATEMENT OF NON-OPERATING INCOME—for the year ended December 31st, 1944.

RECONCILIATION OF CAPITAL ACCOUNT—as at December 31st, 1944.

BUILDING FUND ACCOUNT—for the year ended December 31st, 1944.

Vouchers for all disbursements have been duly examined and all financial transactions have been verified. Your Bankers have confirmed Bank Balances by means of certificates. Cash on Hand, Cheques, and Notes have been duly verified and checked. Securities have been verified by actual examination and by certificate of the depositories. Inventories are shown in accordance with figures submitted by your Superintendent.

There is, in addition to liabilities shown on your Balance Sheet, a deferred liability of \$11,840.00 for expropriation taxes to the City of Montreal. This amount is payable, plus interest in eight equal instalments, annually. A contingent liability in respect of the issue of \$300,000.00 of 5% serial Debentures, due 1932-1951, by the Jewish Hospital Campaign Committee Inc., and guaranteed as to principal and interest by the Government of the Province of Quebec, remains outstanding to the amount of \$139,000.00.

Your Statement of Income and Expenses on Hospital Operations for the year 1944 indicates a net operating loss of \$109,785.79.

Net Non-Operating Income for the year 1944 represented by contributions to Maintenance Funds, Investment Income, Donations, Memberships, etc., amounted to \$108,723.84.

Subject to the foregoing, we certify that the attached statements correctly set forth the position of the Jewish

# R E P O R T

General Hospital as on December 31st, 1944 and the results of the operations for the year ended December 31st, 1944, according to the best information and the explanations given us, and as shown by your books and records.

We desire to express our deep appreciation to your Superintendent, Mr. S. S. Cohen, to Mr. M. Segal, and to Mr. Frederick M. Goldstein, as well as to your office staff, for the kind co-operation and assistance rendered us during the course of our audits.

Respectfully submitted,

I. BLACKMAN & CO.,  
*Chartered Accountants.*

BALANCE, DECEMBER 31ST, 1944 .....	<u>\$1,060,999.29</u>

## AUDITORS' CERTIFICATE

Audited and verified, subject to report attached herewith.

I. BLACKMAN & CO., *Chartered Accountants.*

Montreal, June 15th, 1945.

MR. ALLAN BRONFMAN, President,  
JEWISH GENERAL HOSPITAL, MONTREAL.

Sir:

I have the honour to submit for your approval the Eleventh Annual Report of the Hospital for the year ended December 31st, 1944.

During the past twelve months we continued to maintain a high rate of occupancy with admissions totalling 4,964, a decrease of 210 from the number recorded for the previous year. Days of treatment were 57,301 which is less by 1,779 days than was the total for the year 1943. This slight decrease in the volume of service rendered, is however no indication of any easing in the demand for Hospital accommodation, as Staff difficulties which were encountered in the previous year again made it necessary to limit admissions. Nevertheless, our Hospital continues to be crowded beyond its normal capacity at frequent intervals, and every effort is made to maintain the highest rate of occupancy consistent with adequate care to the patient.

Classification of patients shows that there has been an increase in the number of private patients admitted, while semi-private and public patients showed a slight reduction.

The average stay for all classes of patients was 11.5 days as compared with 11.4 for 1943.

The Out-Patient Department showed an increase in its activity by recording 26,116 visits for the year, which is higher by 828 visits than the total recorded for the previous year.

The gross mortality rate was reduced from 2.9% for 1943 to 2.6%, while the Institutional mortality rate was 1.6% as compared with 1.8% for the previous year.

Operations numbered 3,364, an increase of 325 over last year.

The Department of Obstetrics maintained its usual activity by recording the birth of 1,010 infants.

The year 1944 marks the fifth consecutive year during which we have not experienced the loss of a mother. This rather remarkable record of some 5,000 births with a maternal mortality of zero, is a great tribute to the fine spirit of co-operation which exists between members of the Obstetrical Department.

General Meetings of the Medical Staff continued to be held during the year. The programmes consisted of presentations by members of the Staff reviewing the results of their respective Departments and a summary of the Hospital's activities by your Superintendent. These meetings are an important factor in the promotion of a better understanding and closer relationship between the Medical Staff and the Administration. I am indebted to Dr. Mark Kaufmann, Chairman, and to the members of the Medical Board for their helpful co-operation.

The Tenth Anniversary Volume, a scientific publication which will commemorate the first ten years of the Hospital's service, is now in preparation. Many important articles by members of the Staff have been submitted for inclusion in this Volume, which will be widely distributed to the Medical and Scientific Libraries of the Continent.

The Intern situation remains difficult and early improvement is not likely. The cessation of hostilities in Europe, will in due course bring about relief, but its effect will not be felt for sometime yet. With a high rate of occupancy, the reduced number of interns worked exceedingly hard, and with the generous assistance of a large number of our Medical Staff who assumed intern's duties, we were able to maintain efficient and effective service to our patients. I want to pay particular tribute to the members of the Attending Staff who rendered this invaluable service at great personal sacrifice.

The difficulty of securing properly trained help in adequate numbers, continued to be a major problem. We were nevertheless able to render service of a high standard through the loyalty and devotion of our remaining Staff. To the Department Heads, whose enterprise and efforts made possible the maintenance of our standards, and to their respective staffs, I am deeply grateful.

I regret to report the resignation of Miss Etta Goldman, Director of the Social Service Department since the inception of the Hospital. Miss Goldman organized the Department according to the best traditions of Social Service and is responsible for the high regard in which it is held amongst the Social Agencies of our Community. She left to take up important duties with the Canadian Army, where she was commissioned an officer. Miss Goldman was succeeded by Miss Sadie Batist who brings to our Department a long and valuable experience as a social worker. Miss Batist comes to us from the Montreal General Hospital, and we are grateful to that Institution for releasing her to us. The resignation of Miss Rachel Levitt, a worker in the Social Service Department since the Hospital's opening, is also recorded with regret.

The Dietary Department lost its Chief Dietitian when Miss Naomi Perchanok decided on a marital career. Miss Perchanok leaves with our best wishes, after many years of loyal and efficient services. Miss Freda Furman, senior member of the Dietetic Staff replaces Miss Perchanok. Miss Furman has proven herself fully capable of discharging her important duties.

In the maintenance of the physical plant, nothing of an unusual nature was encountered. In August of the year under review we were able to resume the burning of fuel oil, after reconverting our equipment.

There was some replacement of worn out equipment, most important of which was a dishwashing machine for the main Kitchen, and a large high speed extractor for the Laundry.

# OF THE SUPERINTENDENT

The farm project produced a very satisfactory crop and justified the higher cost for the labor involved.

Although the major financial aspects of the year's operation are dealt with by the President in his report, I should like to refer briefly to a few of the more important details which contributed to the results shown.

Operating costs were higher by \$20,783.86 as compared with 1943. Increased pay rolls, made necessary by a highly competitive employee market and by minimum wage laws, were principally responsible for increased expenditures. Revenue from Patients' Accounts rose from \$302,716.19 for 1943 to \$320,280.99 for 1944. This represents an increase of \$17,564.80 and is accounted for by the larger proportion of private patients treated. The per capita cost for all patients rose to \$6.90 per day, as compared with \$6.14 for 1943. This considerable increase in the per capita cost is due in part to the higher cost of services, and is accounted for to some extent by the reduction in the number of patients treated. When we are able to resume unrestricted admission to the Hospital, the daily per capita cost should show a relative decrease. We are reminded that Hospital Operating costs have risen approximately 50% since 1939, while charges to patients have increased very little, and in most cases not at all. To be sure, revenue has increased somewhat during these years because of the greater proportion of paying cases, but operating deficits must remain considerable as long as hospitals continue to dispense their services below cost.

The Women's Auxiliary continues to give splendid support to the Hospital. The large volume of voluntary

service rendered by so many of its members, has been an invaluable aid to us during this period of staff shortage. I am indebted to Mrs. Alton Goldblom, President of the Auxiliary, for her sympathetic understanding of the Hospital's problems, and to the Officers and Membership, for their generous co-operation.

To the Officers and Members of the Board of Administration, and to the various Committees, I am grateful for their interested assistance. To you Mr. President, I wish to express my deep appreciation for the keen interest you have shown in every phase of the Hospital's activities, and for the very sound advice and sage counsel you continue to give me.

Hospital administration under existing conditions is extremely difficult. To give adequate care to ever increasing numbers of patients with a dwindling supply of skilled employees, constitutes a challenge to the physical and mental resources of all concerned. We ask the public to recognize the difficulties under which we are compelled to operate, but wish to leave with them the assurance that the absolute safety and reasonable comfort of our patients will never be compromised.

In concluding this Report, I want to record a genuine tribute to our Community which has shown such generous interest in the maintenance of our Hospital, and has only recently demonstrated its faith in the Hospital's future, by providing so magnificently for its growth and development.

Respectfully submitted,

SAMUEL S. COHEN,  
*Superintendent.*

## WOMEN'S AUXILIARY

## \*REPORT

Another year has become history in the life of the Women's Auxiliary of the Jewish General Hospital and today I present for your approval and consideration our Ninth Annual Report. Were I asked what distinguishes this report from our previous records, I would suggest that the marked growth in membership in our various groups be noted. That feature is one that I particularly commend to your attention, expressing as it does my often voiced hope and belief that an ever-growing membership is the best structure and foundation on which to build a stable financial assistance to the hospital. And beyond the thought of the monetary aid which this large membership provides, is the immeasurable contribution of good-will and hospital-consciousness that it stimulates. When we think of an over-all membership (senior, patroness, junior, nursery fund and out-of-town associate), of more than 5,000, it requires little imagination to realize what a tremendous force for good such numbers portend.

Our financial audited statement shows an income from all sources of \$12,856.00 and a total expenditure of \$11,764.75. I will deal with the income received and the expenditure of each department separately.

Mrs. Allan Bronfman, chairman of the Life-Saving Fund, announces that in 1944 there were 348 patronesses, of whom 111 were new subscribers. They made possible the life-saving measures requisitioned by the medical staff and permitted us the commitments which we had undertaken. \$8,850.00 was received in patroness dues and \$647.00 in donations. The expenditures from this fund were as follows: \$1,100.00 salary to the social service worker in the tumor clinic; \$800.00 for the purchase of vitamins and other drugs for obstetrical clinic patients; \$260.00 for insulin used in the out-patient department; and \$1,908.12 for the emergency needs of non-paying patients, such as blood donors, oxygen, penicillin, special nursing and special drugs.

When examination is made of the life-saving support we provide, it will be observed that we direct considerable assistance to a program of preventive medicine. Recognizing the great burden of the medical and nursing staffs, our aim is to provide all possible help and relief. There is much to be done, but unfortunately much cannot at present be provided, because of wartime priorities and restrictions in manufacture. Hence, with the unanimous approval of your board of directors, another \$7,000.00 was added to the previously established laboratory building fund of \$10,550.00.

I would extend to our patronesses, whose names appear on a special tablet in the entrance hall of the hospital, and whose generosity enhances the lives of many grateful patients, our warmest expression of appreciation. Perhaps it would not be amiss to tell you of the widespread interest that this fund has aroused. We

have 3 patronesses residing in Winnipeg, 6 in Ottawa, 2 in Quebec, 1 in St. John, N.B., and 1 in St. John's, Quebec, 4 in New York City, and 1 in Georgetown, Connecticut. In addition we would here give grateful thanks for the many donations received for this fund.

The foregoing record is illumined by the guiding hand of its chairman, Mrs. Allan Bronfman, whose concentrated personal devotion has stimulated a far-reaching response. It demonstrated Mrs. Bronfman's faith in the worthiness of the cause which she sponsors. The results attained and the great good that they spell constitute the best tribute that can be paid to her. We know that Mrs. Bronfman finds adequate reward in the growing interest of others in this truly noble service. I offer to her the acclaim of her associates and the blessings of the many beneficiaries.

A special vote of thanks is due to Mrs. David Tennenbaum, who is the faithful keeper of the Life Saving Fund records. We would also thank all those who in many ways have facilitated the work of this department.

We express our sorrow in the passing of Mrs. J. Becker and Mrs. J. Pascal, and extend our sincere sympathy to their families.

Mrs. M. J. Raff, chairman of Membership, announces that 2,448 senior members, inclusive of patronesses, paid their 1944 dues, as compared with 2,055 in 1943. This substantial increase resulted from a vigorous membership campaign which took place at the end of last year. Associated members living in other cities numbered 42, an increase of 2 over the previous year. The maintenance of this large membership is an accomplishment which we view with distinct pride. It represents the combined effort and co-operation of our chairman, the members of our board of directors, and the membership at large. Their united devotion makes possible the complete supply of linens to the hospital, as well as uniforms, curtains, hangings, slip covers, and kitchen needs; it provides an annual instrument replacement fund of \$500.00 and takes care of meeting and office expenses. We are grateful beyond expression to all who have in any way contributed to so magnificent a record.

It is not easy to pay adequate tribute to Mrs. Raff. The wisdom of her guidance is evidenced by the recorded results. Time has neither dampened her enthusiasm nor lessened her loyalty and devotion to the cause she serves. I have appreciated beyond measure her dependability and responsiveness to any and all calls for assistance. We give to Mrs. Raff that full expression of thanks which her uncommon devotion merits.

Mrs. Harry Singer, chairman of voluntary service, gives an encouraging report of aid to the hospital in these trying days of shortages of staff. The appeal necessitated the establishment of a Women's Auxiliary

## OF THE PRESIDENT

office in the hospital with a paid secretary in charge. We readily learned that only by constant telephone contact and by checking volunteers as they came on or off duty could we control and assure a measure of dependable assistance to the hospital. It is interesting to note that we provide 70 to 75 volunteers weekly for service on the wards who come under the supervision of the nursing staff. Washing, dusting furniture, caring for flowers and bringing refreshment to patients when directed, are productive of comfort to the patient and relief to the nurse. A substitute group of 35 are available for ward duty, while 6 regulars render assistance in the cafeteria. Much praise is also due to the 20 ladies who aided in the canning and preserving during the summer season; 15 others gave intermittent service. Mrs. Kaminsky gave a particularly fine devotion and often held the fort alone. We give to all who have answered the call a very hearty vote of thanks.

In guiding this emergency wartime service, Mrs. Singer occupies and serves a most important post and one to which she gives a devoted attention. Her ever gracious response to the duties at hand merits our deepest appreciation and inspires the high esteem in which she is held.

Mrs. David Tannenbaum, chairman of Publicity, continues in her own quiet and unobtrusive way to give her faithful attention to making our activities known through the press. Among our distinguished group of service personnel, Mrs. Tannenbaum holds a place all her own in our affections and regard. Her efficiency and loyalty elicit our gratitude and warmest appreciation. We would here express to the Montreal Star, The Gazette, The Canadian Jewish Chronicle, The Canadian Jewish Review, The Jewish Eagle, The Westmount Examiner, The Monitor, The Herald, The Standard and the Town Crier, our sincere appreciation of their unfailing courtesy. By their co-operation and generosity of space accorded us, they have been of inestimable help in furthering our good work.

Mrs. Victor Michaels, our treasurer, and Miss Dorothy Hart, our financial secretary, whose responsibilities have increased with our steady growth, have demonstrated with great distinction their ability to meet the challenge of servicing "big business." They have set a standard difficult for volunteers to follow. We give them the acclaim that is their due, and I express the hope that they may long continue to be an integral part of the Women's Auxiliary. The knowledge that their service forms so vital a link in our successful structure should be a source of deep satisfaction to both of them. Mrs. Michaels and Miss Hart command our admiration for their accomplishment.

Mrs. L. K. Freedman, Mrs. George Stream and Mrs. Z. I. Diner, our secretaries, continue in their respective capacities, to facilitate the work of our large organiza-

tion. They give to their various tasks an unqualified devotion and attention. Great praise is due to Mrs. Freedman for the excellence of her minutes. Mrs. Stream deserves our gratitude, not only for her devoted attention to a correspondence which necessitated the sending of 146 letters during the past year, but also for her care of arrangements for meetings. It is Mrs. Diner's responsibility to prepare all meeting notices, to send notices for board meetings, and to look after the ordering of all stationery for which we extend deepest appreciation and a hearty thank you. Mrs. Freedman, Mrs. Stream and Mrs. Diner occupy a special niche in our esteem and we wish to assure them of the approbation and gratitude of their associates.

Mrs. J. Rubin and Mrs. J. Schulman, co-chairmen of our Children's Nursery Fund, head a department whose amazing progress is one of the delights of our existence. Responsible for the enrollment of child members from infancy to sixteen years of age at an annual fee of one dollar, they present a record that truly thrills us. On December 12th they showed a total membership of 2,006, of which 496 were new members for 1944. Much praise is extended to those ladies who gave unstintingly of their service to produce those results.

The Children's Nursery Fund closed their books for the year with a balance of \$2,862.31 of which \$260.00 was received in donations and gratefully acknowledged. They contributed \$450.00 to the hospital for the provision of drugs and vitamins for non-paying new-borns and \$207.99 for routine expenses and for the purchase of layettes. It must be realized that were we able to obtain much-needed equipment for the nursery and children's wards, our treasury would have been markedly depleted. We eagerly anticipate the day of release of hospital supplies. Two gifts, totalling \$9.00 were received for the purchase of Chanukah gifts for the children in the wards. Many thanks are extended for this kind thought.

We take great pride in the contribution of Mrs. Rubin and Mrs. Schulman and in the part they play in our Women's Auxiliary development. One must appreciate the extent of their task of planning, directing and guiding the enrollment of our youthful members and the collection of so many dues. Theirs is an inspired labour of love; the splendid results are a tribute to the spirit in which they serve. I offer them the gratitude of their associates and the recompense that comes from good work faithfully done. And I would remind the parents of our members that the names of their children are to be found inscribed in an Honour Book which is on display at all general meetings.

Mrs. Moe Segal and Mrs. Sam Held, co-chairmen of our Juniors, present a record of growth and progress that is one of the highlights of our year's activities. Together with the executive committee of our Juniors, they planned and encouraged a program so stimulating

as to bring forth far-reaching and most successful results. With keen interest we watch our Juniors take root and become increasingly important as a contributing force.

Four general meetings were held by the Juniors during the year. In January, Arthur Lismer presented, by camera projector with commentary, some of the paintings of the great Dutch masters. In April, Dr. George Strean gave an address of vital importance on "Social Science," and Miss Perchanok spoke on dietetics from a hospital viewpoint. Dr. Norman Viner was the guest speaker at a most successful meeting in June, his subject being "What Psychiatry Is." The September meeting held great interest for our young members when Mrs. Beatrice Finestone introduced the "Personality Forum" course, which continues with marked success; while Miss Doreen Day of the T. Eaton Company spoke on the latest fashions and presented models who displayed the last word in feminine finery.

It is with considerable satisfaction that we have observed the services aided by the Juniors. During the summer they assisted with the canning and established a weekly bandage-rolling group at the hospital. They now number 823, and as a result their finances are in a very healthy state. With a bank balance of \$1,009.86, our Juniors will not only maintain their annual contribution of \$250.00 for the medical library, but will assume a further and greater financial responsibility towards our good work. It is here fitting that we should express our warmest appreciation to Mrs. Allan Bronfman for the generosity of her hospitality in entertaining more than 500 girls at tea. The greatly increased enrollment of members is in part due to Mrs. Bronfman's kindness, for the event stimulated widespread interest in the activities of our Juniors. The added factor in membership growth is the "Personality Forum," conducted by Mrs. Beatrice Finestone, to whom we extend grateful thanks.

Miss Sybil Wittes, president of the Juniors, the members of her executive committee and all who in many ways aided in the growth and development of this group, merit our warmest commendation for what they have accomplished. We look to our Juniors to grow in stature and strength, and to become more closely knitted to their parent organization. To them, in due course, we will confidently throw the torch. May they train themselves to hold it high.

Our liaison officers, Mrs. Moe Segal and Mrs. Sam Held, have the task of interpreting the Women's Auxiliary to our Juniors, and vice versa. Their service is invaluable in directing this force for great good. The place of importance they occupy in our combined effort is self-evident. By their wise guidance they are training youth to greater usefulness and building well for the future. Their many personal kindnesses to their charges

are not always on record. We recognize that under their leadership the successful career of our Juniors is assured. For their great devotion, we give to them both our gratitude and the assurance of our esteem.

Mrs. A. M. Wener and Mrs. Maurice Greenblatt, co-chairmen of linen purchasing, continue to give to this important need their whole-hearted attention. The lack of a plentiful supply of linen, even for hospital use, makes the completion of a large requisition a most difficult undertaking. They report an expenditure of \$3,954.08 for the past year. Interpreted in terms of energy spent, we readily realize how great is our indebtedness for such devotion. We would assure Mrs. Wener and Mrs. Greenblatt that we are ever mindful of their contribution to hospital welfare and give to them the appreciation which they greatly merit.

Mrs. M. Gordon who was joined by Mrs. Jack Victor during the year as co-chairman of bottle and jar collections have faced difficult days. This salvage activity was initiated by the Women's Auxiliary long before the advent of the war and brought markedly successful results. The hardships wrought by labour shortages and soaring wages have slowly but surely made inroads in the functioning of this undertaking. The results are not commensurate with the energies spent. While our gross receipts as of the end of November were \$616.07, our cost of collection was \$314.81, and would have been considerably higher were it not for the generosity of Mr. Browns of the Browns Bottle Exchange who shared the collection expenses with us. We therefore have to the credit of this work \$301.26, for which we are duly thankful and for which we express appreciation to Mr. Browns and to all those who so patiently co-operated with us and awaited the picking up of their collections.

We would assure Mrs. Gordon and Mrs. Victor that this salvage work is of value to the hospital beyond the financial help that it offers. It is a link and contact with our membership, though the good derived therefrom is not always easy of evaluation. We encourage Mrs. Gordon and Mrs. Victor to be of good cheer for the coming days when their labours will bear richer fruit. They have our gratitude and sincere appreciation for their fine service.

Mrs. Jack Klein reports 5 layettes given to needy mothers, each bundle containing 2 dozen diapers, 3 gowns, 2 blankets, 2 sweaters, 2 bonnets and 2 pairs of bootees. Gifts of knitted articles were also given to discharged patients from the children's wards who were not adequately clothed. Sincere thanks are extended to all those who devoted themselves to knitting and also for donations received. Mrs. Klein's own generous contributions to this work, which is so close to her heart, are not always recorded. We give to her the

assurance that this work for the less fortunate infants is highly regarded and appreciated.

Mrs. Morris Simon, chairman of the Medical Library, reports the most successful year to date in donations received, to the amount of \$325.75. We note with satisfaction the annual contribution of \$250.00 from our Juniors, which took care of subscriptions to medical periodicals and the binding of them, as well as a number of additions in Medical Literature. All of which has kept the library's growth in a healthy and most desirable state of progress. We give warmest thanks to all those who remembered our library as their expression of tribute to those whom they wished to honour.

A committee of 4 voluntary librarians, on duty 5 days weekly between the hours of 10 a.m. and 2 p.m. give excellent service to the medical staff. Mrs. Simon's direction and reliable devotion are an invaluable contribution to our program of staff aid. We ask her to accept for herself and her assistants our very sincere appreciation.

Mrs. Simon Rubin, Mrs. K. Druckman, Mrs. M. I. Messinger, Mrs. B. Wigdor and Mrs. M. Levy, chairmen of surgical dressings, report an attendance of 1,290 and 287,642 dressings made in the past year. In this period of staff shortage the aid of this committee is particularly helpful. We would assure all the faithful attendants that we are appreciative of the time they give. To our devoted chairmen we extend the gratitude of the nursing staff together with our own. The stimulation which they give by their interest and presence helps in maintaining an excellent attendance and deserves our warmest thanks.

Mrs. E. Lozinski and Mrs. Mendel Segal were responsible for providing speakers for our general meetings. We reflect with pleasure on having Mrs. Kate Aitken, who spoke to us on "Woman—a Tower Towards a Better Social Order," Mrs. S. Gershon Levi, who delighted us with her account of "Great Jewish Women in Biblical, Talmudic and Contemporary Times"; Miss Margaret McCready, who added to our knowledge on "Nutrition in the Health Picture"; and Miss Grace Gardner, who told us much on educational advances in "The High School Looks Ahead."

In these days when plans of any kind are subject to fast-moving and changing world conditions, we readily realize the difficulties encountered by our programme chairmen. Hence we are more than ordinarily grateful to them for the excellence of the speakers that they have given us the privilege of hearing.

Mrs. Sam Gasco has given to our clerical needs a most faithful and devoted service. Called upon in the preparation of all fee collection and membership campaigns, her responsiveness has been one of the comforts of our existence. Together with Mrs. Max Rabinovitch

she undertakes the sending of notices for general meetings four times annually. When it is realized that each meeting requires approximately 2,700 notices, we know how greatly we are indebted to Mrs. Gasco and Mrs. Rabinovitch. We give to them both our warmest appreciation and we would tell Mrs. Gasco that the tremendous service she gives is very highly regarded.

Mrs. Ned Gross, as telephone chairman, convenes our monthly executive meetings, and thereby renders a much appreciated service. Her gracious response at all times has earned our gratitude.

Mrs. H. Levine is in charge of our attendance record at both executive and board meetings, a service both necessary and valued and for which we extend our many thanks.

The members of the board of directors, on whom we depend largely for the servicing of all our activities, are a force of whom we are particularly proud. While the heads of departments map the plans of our undertakings, it is our board of directors who are the stalwarts on whom we lean for support. When we examine the results attained within the year, we realize how great is their contribution. I wish it were possible to thank each one personally. May they enjoy the glow of satisfaction that is the privileged experience of those who devote themselves unselfishly to the services of alleviating pain. We are grateful beyond expression for their valued assistance, and wish also to thank them for the voluntary contribution of \$26.00 to provide comfort boxes for the men in the armed forces overseas. It is with regret that we have accepted the resignations from the Board of Mrs. Lyon Strean, Mrs. L. Eidinger, Mrs. A. Shulman, Mrs. D. J. Elkin, Mrs. E. A. Blumenfeld, Mrs. S. J. Margolese and Mrs. A. Grover. We acknowledge with thanks their assistance and we shall hope that they will return to our ranks as soon as their leisure permits.

Mrs. Morrie Levy deserves our sincere appreciation for her generous donation of a wristwatch to be won by some fortunate 1945 paid member. The drawing will likely take place the first Wednesday in February at a special meeting. We also give many thanks to Mrs. K. Druckman and Mrs. M. I. Messinger for their kind attention to the Chanukah gifts for the children in the hospital and to the seasonal gifts for the staff. Our appreciation is extended to Mrs. Jack Victor and her committee for the preparation of the slate.

The appointment of Mrs. David Tannenbaum and Mrs. M. J. Raff as historians for the Women's Auxiliary assures us a prized souvenir booklet for our 10th anniversary celebration in January 1946. We know that it will be a story well told and one in which each one of us may take pride.

On March 17th last, the American College of Surgeons held one of its series of war conferences in Montreal,

which brought under discussion many phases of scientific progress and problems of hospital administration. It was my privilege to speak on "Volunteer Services" at this meeting, a subject very much to the fore then and now.

We record our profound sympathy to the families of our members who have suffered bereavement in the past year. May they find comfort in their treasured memories.

Messrs. I. Blackman & Co., our honorary accountants, merit our gratitude for their valued services.

We extend sincere thanks to Distillers Seagram Corporation for their courtesy in permitting us the use of their rooms during collection campaigns.

Mr. Allan Bronfman, president of the hospital and Mr. S. S. Cohen, superintendent, whose wise counsel is ever available when needed, are hereby extended my sincere personal appreciation for their helpfulness and valued advice.

The hospital is on the eve of launching a building fund campaign to take care of the necessary expansion for an increased number of beds, laboratory facilities and nurses quarters. We realize that the Women's Auxiliary will have an important contribution to make. I know that we may count on a generous response both from our members and from the community at large.

Within the limits of an annual report, it is not possible to make acknowledgment for the many individual donations received and all the services given throughout the year. To do so would make this report prohibitive in length. I would give assurance of our deep gratitude to our many kind friends for their generosity. The list of donations received will be found together with this report in the next issue of the hospital's annual report.

January 1945 has just appeared upon our horizon. We pray that it spells the dawn of victory to our arms and the assurance of peace and security for all the peoples on earth. Towards that end, let each one of us direct our energies and bend our efforts.

In the nine years of our existence it has been my privilege to be your president. I had thought a change in leadership would have been welcomed long since. You have decided otherwise. This great compliment together with your faithful co-operation is sincerely heart-warming and most gratefully appreciated.

Respectfully submitted,

ANNIE E. B. GOLDBLOOM,  
*President.*

Women's Auxiliary,  
Jewish General Hospital, Inc.

# IN SACRED MEMORY

of the Governors and Contributors  
who passed away  
in the year 1944

*Let Your Generosity  
Live on.*

**IN YOUR WILL**

*include the Jewish General Hospital  
as a Beneficiary.*

---

*Lives of great men all remind us  
We can make our lives sublime,  
And, departing, leave behind us  
Footprints on the sands of time.*

LONGFELLOW

---
