

*Our Tribute  
Everlasting*

13<sup>th</sup> ANNUAL REPORT  
of the  
Jewish General Hospital  
1946

*Thirteenth Annual Report*  
of the  
**JEWISH GENERAL HOSPITAL**  
MONTREAL

For the year ended December Thirty-First 1946

---

*To the Jewish community of the City of Montreal,  
at the dawn of a new era, this Annual Report of the  
Jewish General Hospital is dedicated.*

## FOREWORD

---

To those Jewish citizens who conceived and built our "Tribute Everlasting", to those who have maintained it, and to those who have now made possible its extension, go the thanks of a grateful people.

The Jewish General Hospital is now more than a haven of healing. With the completion of its building extension programme, the Hospital will take its place among the leading scientific research centres of the North American continent.

The Hospital is fast becoming more than a "Tribute Everlasting" to the founders and to the Jewish community of Montreal. With the expansion of its facilities it must shortly, through its scientific personnel, become a "Tribute Everlasting" to the Jewish people everywhere.

In dedicating this Report to the Jewish community the Board of Administration extends earnest congratulations, and expresses the fervent hope that what has been so well begun, may long be continued; and that the Jewish General Hospital may, by its works of mercy, healing and humanitarianism, and by its unflagging exploration in the fields of science and medicine, prove to be a substantial contribution to the benefit of all humanity.

## BOARD OF ADMINISTRATION—1947

*President:*

Allan Bronfman

*1st Vice-President:*

Michael Hirsch

*2nd Vice-President:*

David Kirsch

*Honorary Treasurer:*

A. H. Jassby

*Honorary Secretary:*

Wm. Levy

Harry Benjamin

Jack Klein, O.B.E.

Samuel Bronfman

George Salomon

Horace R. Cohen, O.B.E.

Moe Segal

Oscar Faerman

Councillor Max Seigler

Philip Garfinkle

# \* REPORT

## OF THE PRESIDENT

### TO THE GOVERNORS OF THE JEWISH GENERAL HOSPITAL:

On behalf of the Board of Administration, I have the honour to submit for your approval the Thirteenth Annual Report for the year ended December 31st, 1946.

The past year was again one of great activity, and we rendered service to a record number of patients. Demand for Hospital care continues to exceed available accommodation. Several hundred patients who deserve hospitalization are constantly on our waiting lists for prolonged periods before admission to the Hospital. Whilst every effort has been made to render service to the greatest number of patients possible by crowding wards and rooms, and through the use of solaria and waiting rooms, we are still unable to give prompt admission to even urgent cases. The continued shortage of trained personnel, chiefly nurses, has added greatly to our difficulties.

There can be no solution to this pressing problem other than the creation of additional facilities as projected in our Building Extension Program. For almost two years our Architect, Mr. J. Cecil McDougall, has carried out intensive study of our needs and in co-operation with Mr. C. Davis Goodman, Associate Architect, and York and Sawyer, prominent American Hospital Specialists, retained by us as Consulting Architects, has developed comprehensive plans for additions and extensions. It is with deepest gratification that I announce to you at this time that your Board of Administration, after most careful consideration, has given authority to proceed with the first phase of the Hospital's building program and as soon as the final detailed working drawings and specifications have been completed, building tenders will be called for. We are

\*Presented  
at the Thirteenth Annual General Meeting, May 19th, 1947.

hoping that when contracts are ready to be signed, conditions will have become more stabilized and materials and labour, which have been in short supply, will be more readily available, thus eliminating an important high cost factor. In this decision, we are carrying out the mandate given us by our subscribers during that memorable campaign of 1945, and we pledge our fullest energies to the task which lies ahead, so that the sick of our community may be adequately cared for.

The importance of collecting outstanding balances due on subscriptions before commitments are made will be recognized and appreciated. Although the great majority of subscribers have paid their obligations in full, a number have not yet done so. To those I direct an appeal for prompt settlement of amounts due, so that no obstacles may remain to an early realization of our expansion program.

I should like to refer to changes in the medical staff which have taken place. Dr. Alton Goldbloom, Chief of the Department of Pediatrics, who was on leave of absence has found it necessary to tender his resignation from the position because of pressure of his new duties as Physician-in-Chief of the Children's Memorial Hospital and Chairman of the Department of Pediatrics, McGill University. The resignation was accepted with deepest regret and we are gratified that Dr. Goldbloom will continue his interest in our Hospital as a valued member of our Consulting Staff. Dr. Ben Benjamin, prominent Pediatrician and Acting Chief of the Department during Dr. Goldbloom's absence, has been appointed Chief of the Department. Dr. Benjamin brings to this position a long experience and a keen interest in the development of the Hospital.

Discussion of deficits is always unpleasant but it is important to consider the facts which are responsible for higher operating costs. While it is true that our operating income shows an increase, rising costs—with which we are all familiar—outstripped this gain. The chief contributing factors to higher operating costs were increased pay rolls and higher cost of food and supplies since the removal of ceilings and withdrawal of subsidies. In a period of growing need for hospital services, there can be no lowering of standards of patient care. Rather, must we strive for constant improvement.

Accordingly, in order to make possible the continuation of our high standard of service, we authorized late in the year, after careful study, certain rate increases which will be fully reflected in the operations for the coming year. While operating costs continue to rise rapidly and all Hospitals are experiencing unprecedented deficits, the payment for indigent patients by the Province under the Quebec Public Charities Act, remains unchanged. Revision of this rate, which was established in 1942, is essential if our Hospitals are to maintain their standards without curtailment of service. We express the hope that the Provincial Government will recognize the importance of this situation and take corrective steps which will afford this much needed relief.

That we have been able to meet, to a very considerable extent, the loss on operations is due to the loyalty and generosity of the members of our community. In the year under review, funds to offset our operating deficit, were again raised through Combined Jewish Appeal and we take this opportunity to pay tribute to that splendid organization which, during the year 1946, was so capably led by Mr. Ben Marks, Campaign Chairman. We should also like, at this time, to welcome to our Community and express our thanks to Mr. Donald B. Hurwitz, Executive Director of the Federation of Jewish Philanthropies, who, as Campaign Director, made important contributions to the success of the Appeal.

We have, in the past, made frequent references to the fact that a Hospital's responsibility does not end with providing good hospital care for the sick. Important as is this primary function, a Hospital must provide opportunities for its medical staff to engage in research activity and thereby contribute to the sum total of knowledge in the field of medicine. Although facilities for investigative work have thus far been limited, many members of our staff have nevertheless made definite contributions to the scientific literature and have gained recognition for themselves and brought distinction to our Hospital. Your Board of Administration recognizes the importance of assuming a broader medical responsibility to the entire community and in our building program, great emphasis is being given to

## report of the President, continued

the provision of adequate facilities for the carrying on of research work. It is our purpose to develop the Jewish General Hospital as an important training centre for our young medical men and to create within its walls a scientific atmosphere in which they can grow and flourish to become our medical leaders of to-morrow. This we must do if we are to attract and retain the best qualified and most promising of our scientific men, without making it necessary for them to look elsewhere for such opportunities. Funds, other than those provided for ordinary maintenance and specifically designated for research work are of inestimable value, serving to stimulate our staff in their unflagging exploration of the boundless frontier, the cure and prevention of disease. I am confident that our Community will be quick to recognize the importance of supporting such research activities which may lead to important contributions to the benefit of humanity.

We are pleased to report that our Endowment Fund is receiving greater recognition and are gratified to record the receipt of the following sums during the year 1946:

Estate of Miss Leah Berish .....	\$ 100.00
Mrs. T. Brodie in memory of husband Jacob Brodie .....	50.00
Estate H. Brooks .....	1,450.00
Mr. and Mrs. Phil Cohen .....	500.00
Estate Israel Constantine .....	100.00
Estate David S. Freedman .....	500.00
Estate Michael Goodman .....	250.00
Estate M. Greenblatt .....	12,351.18
Estate Samuel Harris .....	4,150.00
Dr. I. B. and Messrs. Jack and Lester Hirschberg in memory of Ernestine F. Hirschberg to provide for Annual Prize for Nurses' Training School .....	200.00
Estate J. Levinson Sr. ....	1,000.00
Shadowitz Family .....	100.00
Messrs. J. B. and H. C. Vineberg as further contribution to the Endowment Fund of the late Abraham B. Vineberg .....	100.00

The receipt of the following Special Purpose Funds is gratefully acknowledged:

FAMILIES KARL AND ARTHUR BECKER

### OPHTHALMOLOGY FUND

Mr. Arthur Becker in honour of Mrs. Erna Becker on occasion of her 50th Birthday .. \$	500.00
Mrs. Erna Becker on occasion of her 50th Birthday .....	100.00
Mr. J. Roos in honour of the Birthday of Mr. Arthur Becker .....	100.00

### GYNECOLOGY AND OBSTETRICS FUND

Dr. George J. Streat .....	150.00
----------------------------	--------

### CANCER RESEARCH FUND

Cancer Research Society Inc. ....	600.00
-----------------------------------	--------

The highest type of volunteer effort is symbolized by our Women's Auxiliary. It is in fact difficult to visualize our services without the interested co-operation of this loyal group of women. They continue to serve and assist in every branch of the Hospital's work. The subsidies they provide enable us to maintain to an unusual degree a high standard of patient care. The Life Saving Fund now provides the costly Streptomycin as well as penicillin and other costly adjuncts used by modern medicine in the struggle for life. All of these are made available to non-paying patients. I think you will find it of interest if I refer briefly to the most recent activity which the Women's Auxiliary made possible through its Life Saving Fund. In co-operation with the Hospital's Tumour Clinic, the Women's Auxiliary has undertaken the sponsorship of a series of lectures on the subject of cancer. The series was inaugurated early this year when Dr. Gordon E. Richards, Professor of Radiology at the University of Toronto, an outstanding authority on the treatment of cancer, lectured to a medical audience at our Hospital on the subject of mouth cancer. Dr. Richards also delivered an address to the Women's Auxiliary entitled "Hopeful Aspects of the Fight Against Cancer". The second lecturer in the series was Dr. George Papanicolaou of Cornell University, internationally known specialist who developed a method now widely used for the early diagnosis of certain types of cancer. The third lecture was recently given by Dr. Henry L. Jaffe, outstanding bone pathologist of New York City, who spoke on the subject of bone tumours. All of these lectures have attracted city wide attention and were attended by large audiences including leading physicians from the staffs of the other Hospitals in the City. This activity

is making a definite contribution to the knowledge of a subject which presently occupies the attention of the entire Country and has established the Jewish General Hospital as an important educational centre. We want to express our appreciation to Dr. H. C. Ballon, Chairman of the Tumour Clinic, to his associates and to the Women's Auxiliary for their initiative in this development. For more than eleven years the Women's Auxiliary has continued to render distinguished service to the Hospital and throughout these years it has been guided by its capable and devoted President, Mrs. Alton Goldbloom. Any tribute paid to the Auxiliary is recognition of the quality of her leadership. Her selfless dedication to the work has inspired an entire organization, and we wish once again to express our deepest gratitude to Mrs. Goldbloom and to all her co-workers, for their splendid co-operation and support. We wish that it were possible to pay individual tribute to all those who participate in the Auxiliary's manifold activities. The Officers, Executive, Board, Committee Chairmen and members at large all contribute to the warm place which the Auxiliary occupies in the hearts of our community. We are deeply grateful to all of them.

The Medical Board under the Chairmanship of Dr. Mark Kaufmann has again conducted the medical activities of the staff with intelligence and in keeping with the growing needs of the Hospital. Our appreciation is due Dr. Kaufmann, the Medical Board, and the entire medical Staff for their zeal, devotion and complete co-operation.

In my position as President of the Hospital it has been my good fortune to have associated with me on the Board of Administration men of ability, loyalty and vision. I should like at this time to express my thanks and appreciation to all of them for their fine co-operation. Our thanks are due to the members of the Board of Trustees for their continued interest.

A special word of thanks is hereby extended to the following, each of whom has rendered voluntary service of a high order:

Mr. Marcus Sperber, K.C., Honorary Solicitor, for his valued advice and service.

Mr. H. E. Hershorn, Honorary Notary, for notarial services.

Messrs. Mendelssohn Bros., Customs Brokers for their efficient co-operation.

\*The Jewish People's Library for library service to our patients. <sup>λ</sup>

The Province of Quebec and City of Montreal continue to defray in part the cost of caring for indigents and we acknowledge their support with thanks. The English and Yiddish Press have given us freely of their space and we are grateful for their assistance.

Hospitals throughout the continent are now facing problems and difficulties uncommon to business enterprise generally. The ability to render adequate hospital service under these conditions can be accomplished only through the devotion of its staffs. We extend once again our warm appreciation to Mr. Samuel S. Cohen, Superintendent, to his associates and to all those who co-operated with him to produce the fine record of service which is here reported.

It is our fond hope that at our next Annual Meeting, we shall be able to report substantial progress in our building program. When completed, the Greater Jewish General Hospital will add further prestige to our community and be a source of still greater pride to all those who helped build it. Let me stress, however, that important as fine buildings and equipment are to the usefulness of a Hospital, they fail in their purpose unless the Hospital is completely dedicated to the service of its community. There are three characteristics that any organization must possess if it is to give service: skill, preparation and thoughtful planning; and finally a desire to serve willingly and faithfully. During the past thirteen years, we have had ample evidence that these attributes are not lacking in those to whom is entrusted the destiny of our Tribute Everlasting. With God's help we will continue to put forward our best abilities so that we may enhance the fine spirit of service which has contributed so much to the health and welfare of our community and the development of the Jewish General Hospital, which is so dear to all our hearts.

Respectfully submitted,

ALLAN BRONFMAN,

*President.*

# AUDITOR'S REPORT

MONTREAL, 19TH MAY, 1947.

BOARD OF ADMINISTRATION,  
JEWISH GENERAL HOSPITAL,  
MONTREAL, QUEBEC.

Gentlemen:—

We have audited the books and records of the Jewish Hospital for the year ended 31st December, 1946 and present herewith our reports:

Included herewith are the following Statements:

BALANCE SHEET as at 31st December, 1946.

STATEMENT OF INCOME AND EXPENSES — HOSPITAL OPERATIONS—for the year ended 31st December, 1946.

STATEMENT OF NON-OPERATING INCOME—for the year ended 31st December, 1946.

RECONCILIATION OF CAPITAL ACCOUNT—as at 31st December, 1946.

BUILDING FUND ACCOUNTS—for the year ended 31st December, 1946.

Vouchers for all disbursements have been duly examined and all financial transactions have been verified. Your Bankers have confirmed Bank Balances by means of certificates. Cash and Cheques on Hand have been duly verified and checked. Securities have been verified by certificate of the depositories. Inventories are shown in accordance with figures submitted by your Superintendent.

There is, in addition to liabilities shown on your Balance Sheet, a deferred liability of \$8,880.00 for expropriation taxes to the City of Montreal. This amount is payable, plus interest, in six equal instalments, annually. A contingent liability in respect of the issue of \$300,000.00 of 5% serial Debentures, due 1932-1951, by the Jewish Hospital Campaign Committee Inc., and guaranteed as to principal and interest by the Government of the Province of Quebec, remains outstanding to the amount of \$104,000.00.

Your Statement of Income and Expenses on Hospital Operations for the year 1946 indicates a net operating loss of \$140,815.11.

Net Non-Operating Income for the year 1946 represented by contributions from Combined Jewish Appeal Funds, Investment Income, Donations, etc. amounted to \$123,763.49.

Subject to the foregoing, we certify that the attached statements correctly set forth the position of the Jewish General Hospital as on 31st December, 1946 and the results of the operations for the year ended 31st December, 1946 according to the best information and the explanations given us, and as shown by your books and records.

We desire to express our deep appreciation to your Superintendent, Mr. S. S. Cohen, to Mr. M. Segal, and to Mr. Frederick M. Goldstein, as well as to your office staff, for the kind co-operation and assistance rendered us during the course of our audits.

Respectfully submitted,

I. BLACKMAN & CO.,  
*Chartered Accountants.*

#### AUDITORS' CERTIFICATE

Audited and verified, subject to report attached herewith.

I. BLACKMAN & CO., *Chartered Accountants.*

MONTREAL, MAY 19th, 1947.

## \*Report of the SUPERINTENDENT

MR. ALLAN BRONFMAN, *President,*  
JEWISH GENERAL HOSPITAL, MONTREAL.

Sir:

I have the honour to submit for your approval the Thirteenth Annual Report of the Superintendent for the year ended, December 31st, 1946.

The year 1946 marks another extremely important chapter in the history of the Jewish General Hospital. Admissions to the Hospital totalled 5,249, the largest number to be recorded in any year since the opening of the Hospital in 1934. These patients received a total of 60,084 days of treatment. That this represents a decrease of 1275 days from the number recorded for the previous year, is an indication of the current trend towards shorter hospital stay, brought about by newer surgical techniques and modern developments in the post-operative management of the patient. While we were able to give good hospital care to this record number of patients, it must regretfully be reported that our capacity is totally inadequate to meet the constant demand for admission to all Departments. So great is the demand for beds of all categories, that most of the year, we were compelled to operate on a virtual emergency basis, able to give admission only to urgently sick patients, while elective cases had to wait unreasonable periods before gaining entrance to the Hospital.

The out-patient Department maintained its usual activity and recorded a total of 26,358 visits during the year. New clinics and more intensive study of patients have emphasized the need for additional space in the out-patient Department and we are pleased to note that our plans provide for broadening the activity of this Department.

The statistics of all Departments reflect the greater activity of the Hospital during the year under review.

The Operating rooms record a total of 4,166 operations, an increase of 424 over the year 1945.

The work of the Laboratories becomes more difficult each year. Called upon to render a greater volume of service, they must at the same time, keep abreast of newer diagnostic procedures, which require additional space and staff. It is a tribute to the personnel of the Department that it was able at all times to meet the exacting demands of the clinical departments.

The X-Ray Department recorded its greatest volume of work in this year. Limited as to space and equipment, the Department nevertheless rendered radiological service of exceptional quality. Our appreciation is here recorded to the entire staff of the Department for their co-operation and efficiency in the face of many difficulties.

A new record was established in the Obstetrical Department with the birth of 1,119 infants. This was again achieved without the loss of a mother and brings to more than 7,000 the number of consecutive births without experiencing a maternal death. This unusual record is the result of the skill and constant vigilance practiced by our Obstetrical staff. We are pleased to once again pay tribute to all those who participated in and contributed to this splendid accomplishment.

The group organized for the study and treatment of Hypertension has functioned during the year and already has a number of successfully operated cases to its credit. Much valuable data is being gathered by the group and important contributions to the knowledge of this disease may be anticipated.

Our Hospital has throughout the year served as a centre for many educational and scientific meetings and members of our staff have participated freely in the programs presented. A highlight of the year was the Annual Fall Clinical Convention of the Montreal Medico-Chirurgical Society, when the entire program was presented by members of our staff. The audience was one of the largest to attend such a session in Montreal. Such activity tends to create an environment which is highly beneficial to the training of younger men and contributes very largely to the development of a scientific attitude, so essential to the progress of a Hospital.

I am indebted to Dr. Mark Kaufmann, Chairman of the Medical Board and to members of the Board for their fine co-operation at all times. Under their careful guidance, the patients welfare was at all times safeguarded.

As shown in the Report of the Honorary Treasurer, the year 1946, established new financial as well as statistical records. Constantly rising costs resulted in increased expenditures averaging 11.5%, while revenue from patients was up by only 8%, thus contributing further to the creation of our operating deficit. It becomes immediately apparent that under these conditions, a considerable portion of our services are being rendered below cost.

Growing interest in Blue Cross is reflected in the increased number of patients covered by such insurance to enter the Hospital during the year. The Quebec Hospital Service Association, has performed an important service by the recent introduction of a ward plan, to provide hospitalization for wage earners in the lower income bracket. In an economy where hospital care becomes more costly each year, extension and development of the Blue Cross idea appears to be the most likely means of meeting the health requirements of our community.

\*Presented at the Thirteenth Annual General Meeting, May 19th, 1947.

While all Departments suffered from the lack of available staff and have operated under great difficulty throughout the year, the Nursing Department has perhaps been more seriously affected than others. That we were able to render reasonably good nursing care to such a large number of patients is in no small measure due to our capable and devoted Superintendent of Nurses. In paying tribute to Miss Mendels, we acknowledge with gratitude the loyalty of her associates and the entire nursing staff who co-operated so splendidly with her.

A word of thanks is due to Dr. David L. Mendel and to those associated with him, for their co-operation in maintaining an excellent health service for the members of our various staffs.

My appreciation is here recorded to Mrs. Alton Goldbloom, President of the Women's Auxiliary for her continued sympathetic interest in all hospital matters. To the Officers, committees, service groups and individual volunteers who rendered effective assistance throughout the year, I extend my grateful thanks.

To the Officers and members of the Board of Administration, I owe my thanks for their interested co-operation. To you, Mr. President, I once again extend my profound thanks for your advice and counsel. In a year of many problems, your understanding interest has been of immeasurable help.

The function of an administrator is that of co-ordination. The success or failure of his work is determined by the ability, loyalty and co-operation of his associates. My co-workers are men and women who possess these qualities to an unusual degree and I want them to know how deeply I appreciate their devotion.

In concluding this brief presentation of the year's highlights, I should like to emphasize that in spite of the many difficulties encountered, we have succeeded by co-operative effort to render medical care of a high order.

Respectfully submitted,

SAMUEL S. COHEN,

*Superintendent.*

## STATISTICS - 1946

<b>IN-PATIENT DEPARTMENT:</b>		<b>Average Stay per patient (In Days)</b>		<b>Deaths:</b>		<b>Haematology Examinations</b>

# WOMEN'S AUXILIARY

## \* report of the President

January 9th, 1947.

### FELLOW-MEMBERS :

This eleventh annual report of the Women's Auxiliary of the Jewish General Hospital is to be noted for a sizeable growth in patroness, senior and children's nursery fund memberships. This permitted us to give increased support to measures pertaining to life-saving and also allowed us to broaden our interest in support of scientific investigation within the hospital. The benefit to the patient and the encouragement which the medical staff derive from our interest is very great and I might add that our administrative body have constantly expressed a sense of deep satisfaction in the work of the auxiliary.

The importance of continued striving for a larger membership cannot be over-emphasized, when it is appreciated that all our commitments are met out of revenue derived from this source. Special fund-raising events are undertaken only when an unusual need is brought to our attention by the board of administration of the hospital, and only if that requisition cannot be met from regular income. We are grateful for the many donations received for the Life-Saving, Medical Library and Children's Nursery Funds, the record of which will be found in due course in the hospital's annual published report. These donations are a welcome addition to our sense of financial security.

On examination of our audited financial statement of the year just completed, we find an overall income of \$27,579.92 and a total expenditure of \$18,936.99. Knowing the greatly increased support we will be called upon to provide in the coming year, we are gratified that the present state of our finances will permit us to continue adequately our humanitarian work. I shall deal with the details of our expenditures under the various departmental reports to follow.

Her Royal Highness, Princess Alice, Countess of Athlone, our Honorary Patroness, made February seventh a distinguished date on our hospital calendar of events. Princess Alice's visit to this hospital brought much cheer into the lives of many patients who had the rare privilege of a visit and chat with this gracious lady.

Her Royal Highness showed a keen interest in all phases of hospital service, and at the end of the tour of inspection, gave us the further honour of joining us at tea. Those of us who had the privilege of accompanying Her Royal Highness, will ever retain a proud and happy memory of her visit.

Her Excellency, The Viscountess Alexander of Tunis, has graciously consented to become our Honorary Patroness, a distinction and honour we greatly esteem.

"Memoirs of Mercy", the brochure which contains the highlights of our first ten years of service to the hospital, is, I feel sure, a prized souvenir for all our members who contributed to the achievement. To read and appreciate its content, is to be stimulated to greater endeavor. The task of studying our records and of preparing the material for publication was entrusted to Mrs. David Tannenbaum and Mrs. M. J. Raff. We are greatly indebted to these ladies for a most attractive booklet. The brochure has won high praise both for its historical content and its attractive appearance. We extend to Mrs. Tannenbaum and Mrs. Raff, the co-editors, our sincere appreciation and gratitude for their lasting contribution.

The Life-Saving Fund, Mrs. Allan Bronfman Sr. Chairman, presents a fruitful record of invaluable service to the hospital. During 1946, 561 patronesses subscribed \$14,400.00 and we received further donations amounting to \$1,593.99 for the Life-Saving Fund. While the accepted annual fee is \$25.00 it is encouraging to note that three patronesses contributed \$100.00 each and six others gave \$50.00 each. A handsome donation of \$1000.00 was received from Mr. and Mrs. I. Cohen and their children as a tribute to Mr. Cohen on his seventieth birthday. This made possible the purchase of a portable X-Ray unit for the hospital, so necessary for those patients who cannot be moved in comfort. We are truly grateful for all donations, whether large or small.

Recognizing the importance of providing for any unforeseeable life-saving emergency, we have felt encouraged to increase our grants wherever a vital need was indicated. Our expenditures were as follows: \$2000.00 for penicillin; \$800.00 for drugs and vitamins

\*Presented at the Eleventh Annual General Meeting of the Women's Auxiliary, January 9th, 1947.

### report of the President, continued

for the patients of the obstetrical clinics; \$260.00 provided insulin for the out-patient department; \$500.00 was given for instrument replacements; \$2,156.87 took care of requisitions for emergency cases; \$1,325.00 was the salary paid to our social service worker in the tumour clinic; studies in haematology entailed an expenditure of \$720.00, and \$225.00 was required for investigative work in gynecology.

What of the future and the important service this fund must provide? We have undertaken to defray the cost of those life-saving measures necessary for the recovery of the non-paying patient without distinction. Streptomycin, the new curative drug, is now available and will be used in those indicated conditions not responsive to penicillin and the sulfonamides. It is well to realize that for effective results, the cost for an adequate amount of streptomycin per patient will be considerable. An increase in salary for the social service worker of the tumour clinic is needed; larger grants for scientific studies in the hospital are essential. We are sponsoring lectures by eminent authorities on cancer which will be delivered to the Medical Staff and to our auxiliary as well. There is no limit to the life-saving good that can be provided if we have sufficient funds. The generosity of our subscribers in the past will continue; but we seek an extension of interest amongst those who as yet are not acquainted with our good work.

Mrs. Allan Bronfman may well contemplate the record with satisfaction and pride. She has given herself to the direction of this work with admirable devotion and enthusiasm. By her own generosity and service she has stimulated and inspired others. This work has always been close to her heart, and we hope she will continue to guide the progress of this endeavour for many years to come. We give to her our deep appreciation for a humanitarian service in which we all take pride. To all who have supported this noble work we express the thanks of the countless patients who have been the grateful beneficiaries.

This committee is indebted to Mrs. David Tannenbaum for an extremely fine service in maintaining the Life-Saving Fund donation records and in sending out the

many acknowledgements. We thank Mrs. Tannenbaum most sincerely for this important service.

We and the families of our patronesses have been greatly bereaved this past year. In the passing of Mrs. S. C. Aronoff, Mrs. M. Markus, Mrs. Moses Miller, Mrs. David Pearson and Mrs. Moe Segal, and the bereavements suffered by Mrs. H. Scott and Mrs. A. Kushner in the loss of their husbands, we have been deprived of sincere friends of the hospital. To all who have lost their dear ones, we extend our heartfelt sympathy.

The Membership Chairman, Mrs. M. J. Raff, may well contemplate the growth in the number of our subscribers with more than ordinary satisfaction. The end of the past year found 2,749 members and 27 associates in good standing which represents the peak of our eleven years' existence. This attainment of itself demonstrates the wise direction which Mrs. Raff has given to this endeavour. Since our inception, we have built on the premise that revenue derived from a very large membership is the best method of securing adequate funds to support our hospital interests. Time and experience have served to accentuate such thinking and planning. Income from this source made possible an expenditure of \$3,636.14 for linens and uniforms; \$300.00 for a wall-washing machine; \$413.75 for silver replacements and also provided the funds for our administrative and meeting expenses.

We pay tribute to Mrs. Raff for her distinguished direction and guidance of this vital branch of our organization. When we evaluate the tremendous force for good-will which a large membership creates, then only can we appreciate the importance of Mrs. Raff's service. Her interest and devotion to all phases of our undertakings are indicative of her place of importance in our midst. We give to her that deep measure of appreciation which her loyalty and ability deserve. I add my personal expression of gratitude for her unfailing responsiveness to all calls for assistance.

The Voluntary Service Committee, under the supervision of Mrs. Harry Singer, has the task of providing voluntary aid to the hospital wherever and whenever

assistance is required. The problems of servicing the cafeteria and the wards, providing attendants for the distribution and collection of visitors' cards on public-ward visiting-days, as well as finding enough volunteers to assist with the preserving of the hospital farm produce during the summer months is indeed a difficult assignment. While the need for volunteers has lessened since the close of the war, intelligent aid will always have a place of usefulness in the hospital. We are very much indebted to those faithful women who can always be depended on to answer the call when the harvest of the hospital farm is ready for canning and the fruit in season is ready for preserving. To all who devote themselves to servicing the hospital, we extend the appreciation of a grateful staff and the sincere thanks of their women's auxiliary. I wish it were possible to thank each volunteer personally, but coverage of a year's record within the limits of this report prohibits such expression.

Mrs. Singer has our gratitude for her guidance of this essential service. Her co-operation and responsiveness to the important wants that arise is sincerely appreciated. I would extend my own personal thanks to Mrs. Singer for her collaboration in all that pertains to hospital welfare and efficiency.

The Children's Nursery Fund, under the guidance of Mrs. J. Rubin and Mrs. J. Schulman, show by the progressive increase in its membership an impressive promise of future growth, limited only by lack of adequate voluntary service for fee collection. This branch of our membership enrolls infants and children up to sixteen years of age; the monies derived from their dues are applied to the benefit of the children's wards, the nursery and its non-paying newborns. The membership at present is 3,340 of which 2,487 are renewals and 853 are new additions. These children contributed an income of \$3,511.95, including \$193.50 in donations which were most gratefully received. Providing the newborn with those measures which produce healthy growth is of prime importance to our country's strength. Imbued with the necessity of preserving child life we have pledged this fund to equip a premature nursery at a cost of \$5,000.00 to be in-

corporated into the enlarged hospital, plans for which are now being formulated.

But for the wholehearted devotion and wise direction of our chairmen, Mrs. Rubin and Mrs. Schulman, and the generous co-operation and service given by many of our patronesses, board and auxiliary members, the foregoing report could not have been written. Our chairmen have made the administration of the fund a labor of love, and by their devotion they have written a very bright page in the annals of our history. They have earned our gratitude and appreciation for the distinguished leadership they have given to their undertaking. A hearty thank you is hereby voiced to our youthful members and their parents whose combined interest has spelled health for the less fortunate and hospitalized child.

Miss Dorothy M. Hart, our treasurer, and Mrs. Samuel Hershon, our financial secretary, have in the meticulous care of our finances rendered superior service. Their work and responsibilities in handling our funds are an extremely important contribution to our total endeavor. It is our great good fortune to have our finances handled by two ladies, who, by talent and training, are so admirably equipped for the arduous task. When we give thought to the number of our membership, then only can we evaluate the labor involved in handling so many accounts. We hold Miss Hart and Mrs. Hershon in very high regard and we express to them the gratitude and deep appreciation which they so truly merit.

Mrs. George Strean, Mrs. Z. I. Diner and Mrs. Sydney Lithwick in their secretarial capacities render a most efficient and loyal service. They are an invaluable part of the administrative personnel of our organization. Their strong sense of duty gives assurance of their dependability, whatever the task assigned to them. Social events and other happenings necessitated the sending of 133 letters by Mrs. Strean who also was depended on to look after arrangements for all general meetings. The preparation of all notices and much of the care of mailing has been in the capable hands of Mrs. Z. I. Diner while Mrs. Lithwick maintained

## WOMEN'S AUXILIARY

### report of the President, continued

excellent minutes of our meetings. We are very much indebted to our secretaries for their gracious attention, not only to their established duties but to all calls for service.

Mrs. David Tannenbaum, Mrs. Victor Michaels and Mrs. L. K. Freedman having served with distinction as officers ten years previously, were created an Executive Council a year ago. Holding them in high esteem, we are delighted to know that we may continue to benefit from their counsel in 1947.

The Linen Purchasing Chairman, Mrs. A. M. Wener, who earlier in the year had the assistance of Mrs. S. Fisher, reports an expenditure of \$3,636.14 for linens and uniforms. Securing an adequate supply of linens for the hospital, would have been difficult indeed were it not for the co-operation of Mr. Jack Klein who greatly facilitated the placing of orders. We extend to him our sincere thanks for his assistance and interest. And we express appreciation to Mrs. Fisher and regret her inability to carry on.

Mrs. Wener has given to her undertaking a great effort and a faithful attention. With linens still in rather short supply, we realize the time, energy and interest necessary to fill the annual requisition. Mrs. Wener has our high regard and warm appreciation for her valued service.

The Juniors and the Auxiliary in general suffered an irreparable loss in the passing of Mrs. Moe Segal, who founded the Women's Auxiliary Juniors. Created to fill the gap in age groups between our Children's Nursery Fund and our senior membership, it became an important adjunct to our established service groups. Mrs. Segal's keen sense of leadership, her enthusiasm for her undertaking, her devotion, and her understanding of our young unmarried members between the ages of sixteen and thirty attracted a membership of 850. She had the satisfaction of seeing the fruition of her splendid effort. By her death we have been deprived of an invaluable leader. As a tribute to the memory of Mrs. Segal and of Mrs. T. Percy Hirsch, whose loss we suffered earlier, a number of medical books, suitably

inscribed, have been placed by the Women's Auxiliary in the hospital library.

Mrs. Samuel Held, co-chairman of the Juniors, remained to carry on alone at a critical transition period in the lives of our younger members. The close of the war produced an epidemic of marriages, resulting in a loss of interest in communal services and a dwindling Junior Membership. Mrs. Held has made every effort to stimulate anew an active hospital interest among the rising generation of young women. A most attractive fashion show was presented for the Juniors by Holt Renfrew & Co. and a group of our ladies provided excellent refreshments and rounded out a very pleasant evening. To Holt Renfrew & Co. we are very much indebted for a beautiful display of youth fashions. We would also express our gratitude to the board of administration of Shaar Hashomayim Synagogue for the use of their community hall, and we thank most sincerely the group of hostesses who sponsored the event.

We give to Mrs. Held our warm expression of appreciation for her valiant effort. It is with sincere regret that we have learned of Mrs. Held's inability to carry on, and we are happy in the knowledge that she will resume active service as soon as possible.

Mrs. Bernard Marks has taken over the re-organization of our Junior membership. Under Mrs. Marks' enthusiastic direction, we anticipate a revival of interest and growth. I make a particular appeal to the mothers of young daughters to urge them to affiliate themselves with this hospital youth group. Their encouragement will give impetus to the effort now being made to build a strong Junior organization.

The Medical Library chairman, Mrs. M. A. Simon, gave efficient supervision to the maintenance of library records, and guided the effort of a group of volunteer librarians. They rendered together a much appreciated service to the Medical Staff. Thanks to donations amounting to \$270.00 received in varying amounts to mark and honour special occasions, and to the annual grant of \$250.00 from our Juniors, the addition of many valuable scientific works and periodicals to the library was made possible. We make grateful acknowledgement

to Dr. George Streen for his gift of "An Atlas of Ovarian Tumours" presented to the library to honour the memory of Carol Marcia Segal and we thank Dr. Alton Goldbloom for a copy of the fourth edition in English of his book "The Care of the Child".

We express to Mrs. Simon our deep appreciation for a valuable service loyally and generously given. The arrival of a son in the Simon household necessitated relinquishing the guidance of the Medical Library Group. However, we are delighted that she will continue as a member of our Board of Directors.

Mrs. Joseph Simand assumed the responsibility of chairmanship in November and knowing her admirable qualities and understanding of library work, we may well congratulate ourselves in our good fortune. We extend to the members of the Library Committee our sincere thanks for their fine service.

The Layette Chairman, Mrs. Jack Klein, reports the distribution of 9 layettes to needy mothers. Each gift bundle contained 2 dozen diapers, 3 gowns, 2 sweaters, 2 bonnets, 3 pairs of booties and 2 blankets, and gladdened the hearts of the recipients. We are indebted to Mrs. J. Kupfer, Mrs. Max Fineberg, and Mrs. H. Ressler for a much appreciated knitting service and donations of baby-wear.

Mrs. Jack Klein merits our gratitude for her devotion to the needs of the less fortunate newborns. She gives not only a valuable and much appreciated service but personal contributions which are not always noted in the record.

The Programme Chairman, Mrs. E. Lozinski, was responsible for four general meetings of unusual attraction during the year. Much of artistic and topical interest was provided by Miss Mildred Goodman, violinist and Mr. John Newmark, pianist, who gave us a very fine recital; Professor Forrest La Violette presented a stimulating and informative address on "The Crisis of Cultural Continuity"; Dr. Morris Fishbein, editor of The Journal of the American Medical Association, delivered a highly enlightening address on "Medicine in the Postwar World"; and Mrs. Doreen

Day gave a refreshing talk on the subject "Fashion is a Living Fine Art".

Mrs. Lozinski has our deep gratitude for a much appreciated service. We would assure her of our high regard and of our awareness of the important responsibility she has carried. I extend to her the warm thanks of her associates, and express our pleasure in the knowledge that she will continue as a member of our Board although relinquishing the burden of chairmanship.

The Clerical Committee, without which we could not successfully function as an organization, is fortunate in its co-chairmen Mrs. Samuel Gasco and Mrs. Bernard Cohen, who have given a most unselfish devotion to our considerable needs. The routine business administration of the Women's Auxiliary makes great demands upon the time and energy of our chairmen, and I may add, they have never let us down. They are frequently called upon to sacrifice their personal convenience and we are therefore all the more deeply appreciative of the spirit that prevails in Mrs. Gasco and Mrs. Cohen when there is work to be done. Our warmest thanks is expressed to both of them. I wish to express our gratitude to Mrs. Gasco for assuming in addition the great responsibility of the chairmanship of the Nominating Committee. We realize how burdensome is the task of preparing a slate, and we extend to her our hearty thanks.

The Surgical Dressings Committee, who meet in the hospital three afternoons a week, are under the chairmanship on Monday of Mrs. H. Naimen and Mrs. S. Steinberg; on Tuesday, Mrs. K. Druckman and Mrs. M. J. Messinger and on Wednesday Mrs. Morrie Levy and Mrs. J. Monaker. These ladies and their committees, in folding the tremendous number of dressings required by the hospital, render a service much appreciated by the staff. With an attendance of 1147, 237,940 dressings were prepared. The chairmen by their faithful attendance and supervision of the work, contribute a most important function. To all who facilitate this service we extend a hearty vote of thanks.

Mrs. Wm. Abrams, who had charge of our publicity during the first half of 1946, was regrettably unable to

carry on. We offer Mrs. Abrams our sincere thanks for a much appreciated service. Mrs. Wm. Deskin assumed the chairmanship of publicity in the autumn, and is carrying on admirably. We are most grateful for her alert interest and devotion to our publicity needs.

The generous publicity which our work has received from The Montreal Star, The Gazette, The Herald, The Standard, The Canadian Jewish Chronicle, The Canadian Jewish Review, The Jewish Daily Eagle, The Westmount Examiner, The Monitor, and Burnetts Town Crier, has been invaluable in furthering our service. We extend to them our sincere gratitude.

The Car service under Mrs. M. I. Gordon, the assistance given by Mrs. Simon Rubin, chairman of the co-ordinating committee, the telephone service rendered by Mrs. Ned Gross, the attendance records maintained by Mrs. H. Levine, and the hospitality provided under the direction of Mrs. Allan Bronfman Jr. have all contributed greatly to our efficiency and enhanced the value of the Women's Auxiliary service as a whole. To each I extend a hearty vote of thanks for their contribution towards our progress. They are the links which gives much strength to our efforts.

To our gallant army of workers, the members of our Board of Directors, upon whom we lean heavily to promote and advance our undertakings, I offer our thanks in very great measure. They have earned our unlimited gratitude for an energetic service productive of great good.

During 1946 many of our members-at-large have suffered the loss of members of their family. We offer to them the expression of our sincere sympathy in their sorrow.

We are indebted to our honorary accountants, Messrs. I. Blackman & Co. for a much appreciated service.

At this time I wish to tender to the president of the hospital, Mr. Allan Bronfman, and to the members of his Board of Administration, my personal appreciation and that of our officers who were honoured with presentations. We recognize that in honouring us at the end of ten years of service, the tribute indeed, was intended for the Women's Auxiliary as a whole.

Mr. S. S. Cohen, Superintendent of the hospital, has continued to give us the benefit of his vast experience, and has guided us steadily along the path towards efficiency. We extend to him our warmest thanks.

We give our sincere thanks to Distillers-Seagram Corporation for the continued privilege of using their rooms during fee collection campaigns.

There are innumerable individuals who have contributed their time and energy to our services throughout the year. By so doing they have strengthened the measure of good rendered. To all I give a sincere expression of thanks.

As I attempt to evaluate the total endeavor of the Women's Auxiliary, I am impressed by the wisdom and unselfishness of those who direct and those who co-ordinate the service rendered to the hospital and its patients. Their devotion has taken upon itself the aspect of a mission. To our large membership, upon whom we depend for understanding and support, I would quote a line from "Westward Ho"—"Gold that buys health can never be ill-spent".

Another year of service is about to begin and another chapter of good deeds to be written. I had earnestly hoped that the officers and members of the Board of Directors might be persuaded to see the desirability of choosing a new leader. Having held the high office of president since the inception of the Women's Auxiliary eleven years ago, I believed that a change was in order. Your unanimous request that I carry on is a compliment that touches me deeply. The devotion and loyalty that I have received at the hands of my associates has been an inspirational experience and gives me the encouragement to continue. I ask each one of you for the fullest measure of your effort in the coming year.

Respectfully submitted,

ANNIE E. B. GOLDBLOOM,  
*President.*

Women's Auxiliary,  
Jewish General Hospital, Inc.

# 1946 — LIST OF GOVERNORS

## EXTRACT FROM BY-LAWS

"All persons who have subscribed and all persons who shall hereafter subscribe and pay to the Building or Endowment Fund of the Corporation a sum of \$100.00 or more, may be elected by the Board of Administration as Governors of the Corporation, and shall continue as such as long as they pay annual dues to the Corporation of \$15.00 or more, or subscribe and pay \$100.00 or more annually to the Combined Jewish Appeal".

## IN SACRED MEMORY

of the Governors and Contributors  
who passed away  
in the year 1946

# *Give for Eternity*

Give for yesterday, and today, and forever.

The things which are seen are temporal;  
the things which are not seen are eternal.

Let your generosity live on.

IN YOUR WILL MAKE THE  
JEWISH GENERAL HOSPITAL  
YOUR BENEFICIARY
