

GERIATRIC PSYCHIATRY TREATMENT PROGRAM

What is the Geriatric Psychiatry Treatment Program?

The Geriatric Psychiatry Treatment Program provides an opportunity for socialization, within a therapeutic milieu, for the high-functioning elderly population with a psychiatric diagnosis.

What will the participant do during the program?

During the program, participants will take part in group discussions on current events, arts and crafts, interactive games, exercise, education on health and wellness, and individual support.

How do I sign up to this program?

This program is for patients followed in the Geriatric Psychiatry Clinic of the Jewish General Hospital.

When is it held?

Wednesday 1:00pm – 3:00pm
(light snack is served)

Where is it held?

Jewish General Hospital
East wing Auditorium
(Cote des Neiges entrance)
