2015 PLASTIC SURGERY VISITING PROFESSOR

Dr. Michael W. Neumeister

June 25th 2015

Michael W. Neumeister, MD, FRCSC, FACS

Dr. Neumeister is Professor & Chairman of the Department of Surgery and The Elvin G. Zook Endowed Chair in Plastic Surgery at Southern Illinois University School of Medicine in Springfield, IL.

He received his medical degree from the University of Toronto and previously completed a degree in physiology and pharmacology at the University of Western Ontario. Dr. Neumeister began his residency at Dalhousie University in Halifax, Nova Scotia in general surgery and went on to complete his plastic surgery residency at the University of Manitoba. He continued his training as a microsurgery fellow at Harvard University's Brigham & Women's Hospital in Boston and completed a one year hand and microsurgery fellowship at Southern Illinois University School of Medicine.

Dr. Neumeister is board certified in plastic surgery by the Royal College of Surgeons of Canada and the American Board of Plastic Surgery. He has also received his Certificate in (SOTH) Surgery of The Hand.

Dr. Neumeister is currently the President of the American Association for Hand Surgery and serves on numerous national committees. He has received many awards for presentations given regionally, nationally, and internationally and has authored numerous book chapters and articles.

Dr. Neumeister's research interests include; tissue engineering, the role of stem cells in reconstruction, ischemia reperfusion, peripheral nerve, and burn modulation.

A native of Vancouver, British Columbia, Dr. Neumeister grew up in Toronto, Ontario. He and his wife, Nadine, are the parents of three daughters.
